

## Vision

To be recognised as a top institute of pharmaceutical sciences in the country which develops professionally competent and socially sensitive individuals who cater to the needs of higher pharmacy education, research and industry.

## Mission

- To create and provide congenial environment for higher education and research through well qualified motivated faculty and state of the art infrastructure.
- To strengthen the learning process through innovative teaching methodology and stimulate professional competency that meet the dynamic needs of the pharmaceutical and healthcare industry.
- To imbibe in graduates attributes of inquisitiveness, leadership, sensitivity and responsiveness towards the societal healthcare needs.

## Program Educational Objectives

**PEO1:** Graduates equipped with sound pharmacy knowledge lead successful and competent professional life in the pharmaceutical and healthcare industry.

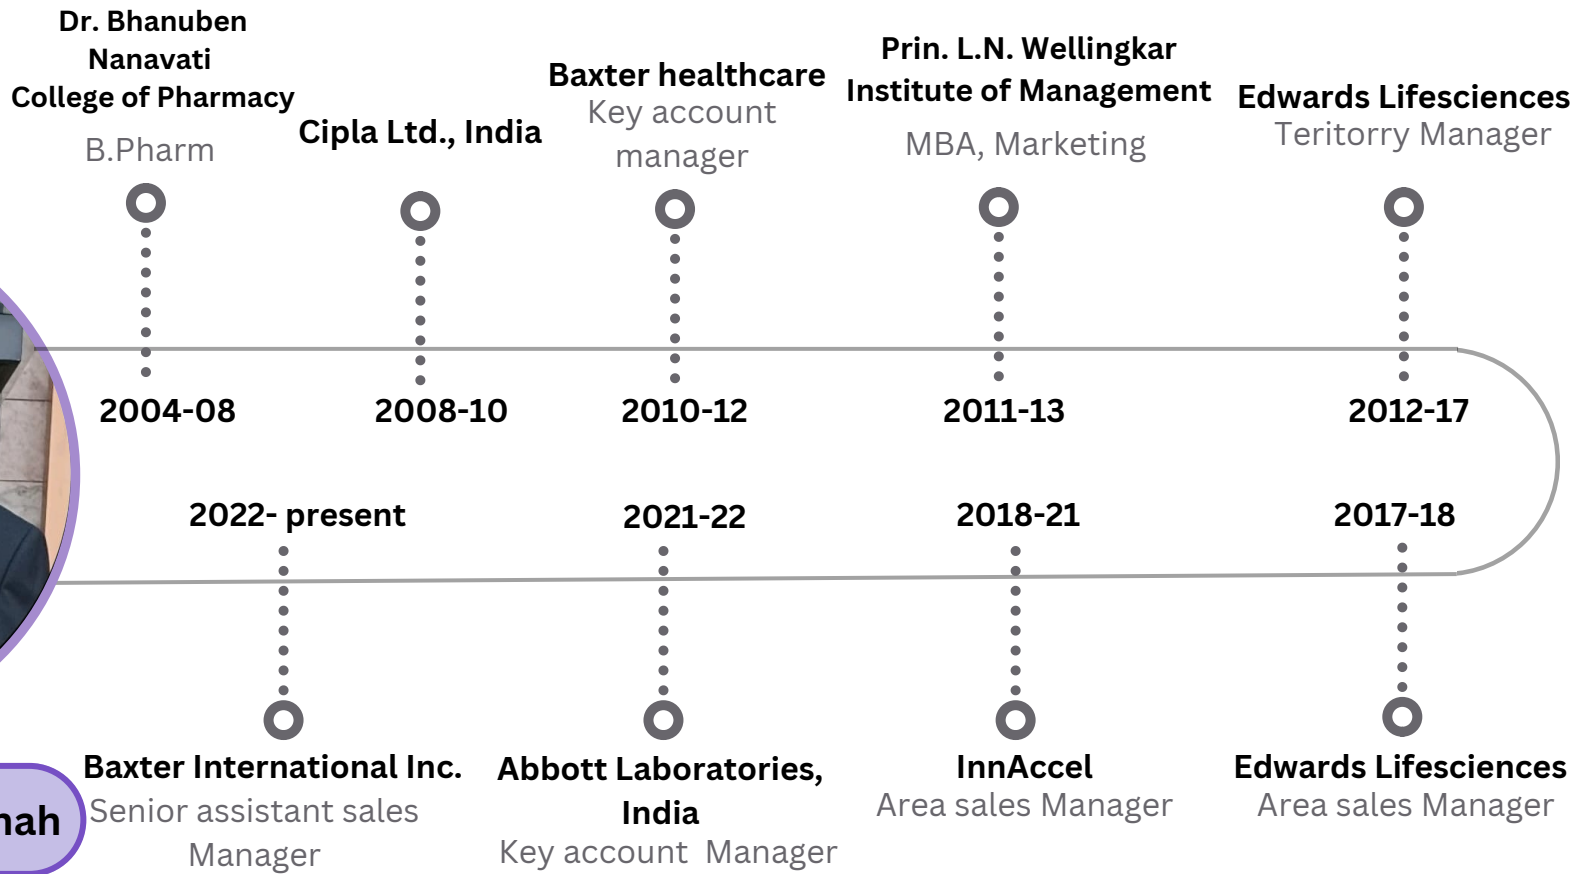

**PEO2:** Graduates pursue higher education in reputed national and international institutes.

**PEO3:** Graduates are professionally competent and socially sensitive
