**Dr. Bhanubhen Nanavati College of Pharmacy**

**The Placement Brochure  
2021-2022**

## Dandelion

A Dandelion being a simple unassuming weed grows in hot and cold climates. This signifies that they can endure in any living conditions. Across the globe it signifies happiness, joy and good luck. It also represents overcoming every hardship by standing strong and proud. The beauty of many ornamental flowers is valued, but a Dandelion portrays how little things hold a tremendous value. Students aspiring for opportunity are just like the Dandelion.

Young minds begin as flower buds and develop as mature blossoms during their journey at BNCP. BNCP inculcates the values and ethics in students as they grow and make them ready for their future and stand proudly as a Dandelion. Students mature and move miles away to grow further preserving the identity of their original plant (the college). The students of BNCP are widespread in different parts of the world representing their institute.

## Vision

To be recognised as a top pharmaceutical institute and to provide affordable quality education, while equipping students with knowledge and skills in their profession and to inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings.

## Mission

To imbibe in graduates attributes of inquisitiveness, leadership, sensitivity and responsiveness towards the social healthcare needs.

Impart education of the highest standard through value based holistic teaching and learning by integrating traditional and innovative practices.

To strive for quality education in keeping with the motto of the college, “Excellence in Education” and prepare young minds for imbibing knowledge, skills and sensitivity.

## Program Education Objectives (PEO)

Graduates will be equipped with sound pharmacy knowledge enabling them to be successful in the pharmaceutical and healthcare industry.

To provide hands on training through state of art infrastructure to inculcate research aptitude in pharmaceutical sciences.

## President's Message

One of the strongest parameters used to rank the success of an institution is placements. The institute's programs along with provision of a world-class infrastructure, highly qualified faculty members and well updated laboratories for hands-on experience offer our students a comprehensive learning experience. Our students at SVKM's Dr. Bhanubai Nanavati College of Pharmacy are trained in such a way to integrate their knowledge to the real time problems of business and industry.

This prospectus is a reflection of the ethos of the college. Our institute inculcates the values of professionalism, ethics, devotion and commitment in our students.

**Shri Amrish R. Patel**  
President, SVKM

## Message from the Mentor

I feel immensely privileged to write this message and extend my whole-hearted invitation to your esteemed organization on behalf of the management, faculty, staff and students of SVKM's Dr. Bhanuben Nanavati College of Pharmacy. SVKM's BNCP is one of the most reputed and top Pharmacy institutes in Mumbai and is ranked 28th in the country by the National Institutional Ranking Framework (NIRF-2021). SVKM's BNCP has made its niche by providing quality innovative programs in an industry oriented, professionally learning, competent and competitive mind-set to fulfill the aspirations of students. SVKM's BNCP offers ample opportunities for the students to align themselves with global corporate requirements and deliver excellence.

**Mr. Jayesh P. Choksi**

Mentor, BNCP

BNCP Chairman and MD, Gufic Biosciences Ltd.

## From the Principal's Desk

The institute has a glorious standing of 16 years and continues to evolve as the most reputed Pharmacy College in Mumbai. At BNCP the students are expected to have an enriching and life-turning experience that propels them to take advantage of the new opportunities in life. We foster sharpening of skills and enhancement of knowledge base in our students through various extra- curricular, co-curricular and curricular activities through faculty who not only keep themselves at par with the current developments but also contribute to the expansion of knowledge in their field of expertise. The faculty members contribute substantially to the academic world through quality teaching, publications, seminars, conferences, etc.

I would like to extend my sincere gratitude to all our industrial partners who have been recruiting our students. I look forward to inviting many more organizations to get associated with us in our placement drive and to build a sustainable and mutually beneficial relationship.

**Dr. Munira Momin**

**Principal**

# Dr. Bhanuben Nanavati College of Pharmacy

SVKM's Dr. Bhanuben Nanavati College of Pharmacy is one of the top most Pharmacy Institutes in the State of Maharashtra situated in Mumbai, Vile Parle West. Since 2004 it has achieved brilliance in pharmaceutical culture and research

The dynamic and constantly evolving academic program reflects the institute's commitment to stay abreast with the expanding frontiers of knowledge worldwide.

BNCP has built links with peer Universities and Institutes, both at the national and international levels, to enhance research and enrich its educational programs.

# Why Recruit BNCP Students

*Education is the key to unlocking the world, a passport to freedom  
-Oprah Winfrey*

# Infrastructure and Facilities

The entire college premises are equipped with the latest safety amenities such as CCTV, fire safety equipment. It has wireless LAN connectivity and is fully air conditioned. The college has RFID entry and the attendance of staff and students is registered through the RFID entry.

## Library

The Library at SVKM's Dr. Bhanuben Nanavati College of Pharmacy houses more than 8353 books selectively chosen for reading and reference, 55 CDs, 778 Bound Volumes, 316 Seminar reports (M. Pharm), 231 M. Pharm Thesis and subscribes to 25 journals in a hard copy format and 70 e-journals (ScienceDirect package).

## Class Rooms & Tutorial Rooms

The college has spacious class rooms and tutorial rooms that are fully air conditioned and equipped with the latest multimedia and audiovisual equipment to facilitate effective learning.

## Laboratories

The college has state of the art laboratories providing facilities for conducting various experiments in Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance, Pharmacognosy, Pharmacology, Microbiology / Biotechnology, Pharmaceutical Analysis.

## Medicinal Garden and Museum

“SATVA VATIKA” the medicinal plant garden of the college covers an area of 71.35 feet. The plants include medicinal herbs, shrubs, trees, and xerophytes. These are used widely as food, medicine and cosmetics e.g, Aloe vera, Ashoka, Cinnamon, Amla, Bael, Eucalyptus, Datura, Brahmi, Black pepper, Baheda etc.

## Central Instrument Laboratory

The Central Instrument Laboratory (CIL) is air conditioned, well equipped with the latest modern analytical equipment and instruments.

## E-Learning Lab

The computer lab is equipped with computers having internet access available to all students.

## Pilot Plant

A pilot plant is a pre-commercial production lab that employs new production technology and/or produces small volumes of new technology-based products, mainly for the purpose of learning about the new technology.

## Animal House

The college has state-of-art Animal House facility registered by CPCSEA, Government of India. It provides pre-clinical testing in conformity with national and international regulatory guidelines.

## Cell Culture Laboratory

The lab has basic equipment like Cell culture hood (i.e. laminar-flow hood or biosafety cabinet), Incubator, Centrifuge, Refrigerator and freezer (-30°C), Liquid nitrogen (N<sub>2</sub>) freezer or cryostorage container. The cell culture lab has HeLa, C6, RAW 264.7, Miapaca, HT-29, A549, L929 cell lines for conduction of various cancer studies.

## Recreation facilities

The college has provided a modern sports facility which includes a sports room for indoor sports like Table Tennis, Carrom, and Chess etc.

## Facilities for the differently-abled

The college has a ramp facility at the entrance and other necessary infrastructure for hassle free movement of physically handicapped students.

# Program and Course Details

## B.Pharm

SVKM's Dr. Bhanuben Nanavati College of Pharmacy offers a four year degree program in Bachelor of Pharmacy, as prescribed by University of Mumbai under guidelines set by Pharmacy Council of India. The multidisciplinary facet of this program is reflected by the wide range of subjects offered to the students under the curriculum. It also included one month training programs for students at Hospital Pharmacy and Industry. Combination of academics, non-academics and industry knowledge yields industry ready graduates.

**Pharmaceutics**

**Pharmaceutical Chemistry**

**Pharmaceutical Analysis**

**Quality Assurance**

**Pharmacognosy**

**Pharmacology**

## M.Pharm

SVKM's Dr. Bhanuben Nanavati College of Pharmacy provides two year program in Master of Pharmacy having three specializations viz. Pharmaceutics, Quality Assurance and Pharmacology, as prescribed by University of Mumbai under the guidelines set by Pharmacy Council of India.

### Pharmaceutics

Pharmaceutics is a science of designing a dosage form in which a new chemical entity is formulated in a safe and efficacious environment. The M Pharm program exposes students to Novel Drug Delivery systems for achieving target specificity, working in line with changing industry requirements.

### Pharmacology

This department is involved with mechanistic research. Lab and theory sessions enable students to grasp knowledge of avenues like pharmacovigilance, Clinical research and regulatory affairs. This program yields students equipped with knowledge of planning and conducting experiments on animals.

### Quality Assurance

This involves planned and systematically conducted experiments with the aim to fulfil quality requirements of a product. This program covers the latest industry trends, standards like ISO and Six Sigma and importance of QA in the food, cosmetics and pharmaceutical sector.

## Ph.D

Dr. Bhanuben Nanavati College of Pharmacy under the guidance of experienced and renowned faculty provides on campus PhD programs for

### Pharmaceutics

The doctoral program in Pharmaceutics trains research scholars in fundamental aspects of drug absorption, disposition and delivery to optimize drug efficacy and minimize toxicity. Knowledge of Pharmacokinetics pertains to facets like drug delivery, absorption, distribution and elimination.

### Pharmaceutical Chemistry

The doctoral program trains research scholars to specialize in stages of drug development such as discovery, optimization, assessment, or outcome. Other areas may include pharmaceutical policy, molecular pharmaceutics, medicinal chemistry and pharmacotherapy.

## Skill Development Programs

The college has established a strong industry linkage and regularly interacts with experts from well-known pharmaceutical industries. The college has been able to identify gaps in the curriculum. Considering the global scenario and current trends, the college aims to train its graduate and postgraduate students to face professional challenges and be abreast with knowledge and technical expertise. The college has introduced short term certificate courses, mentored by eminent industry professionals.

- 1) Drug regulatory affairs approved by LSSDC
- 2) Pharmacovigilance in collaboration with ISCR
- 3) Computer Aided Drug Design

*The beautiful thing about learning is that no one can take it away from you*  
-B.B.King

# About Placement Cell

The Training and Placement Cell, SVKM's Dr. BNCP nurtures students to become industry ready, by bridging the gap between College and Corporate.

We have been actively involved in conducting various events / informative seminars for our students to keep them informed and guide them for their future plans.

## Cosmeticology: Current trends and future prospects

An amazing and interactive session was conducted as a guest lecture where various career opportunities as well as market trends were discussed and elaborated upon.

**Speaker:** Ms Ekta Shah, Colgate Palmolive India Limited

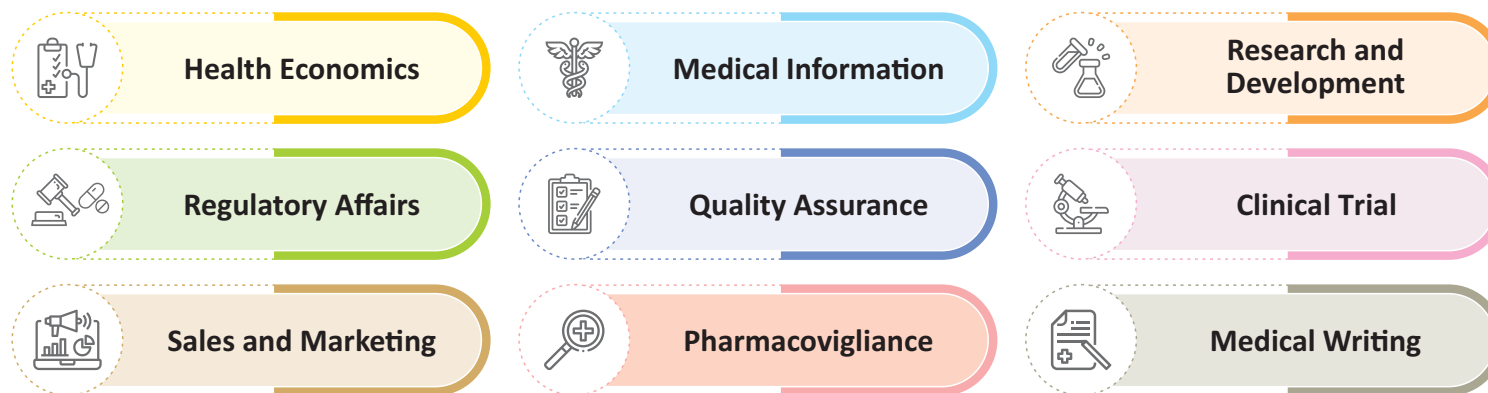

## Pre Placement and Soft Skills sessions

Sessions on skill development, SWOT analysis, Interview and GD preparations etc. are conducted under the pre placement package program.

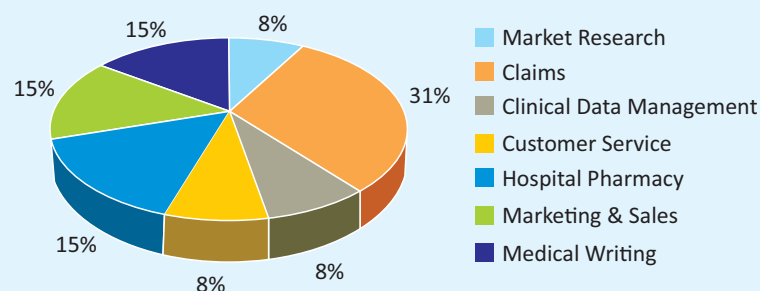

**Speaker:** Ms. Shiny Nair, Soft Skill Development Officer at SVKM

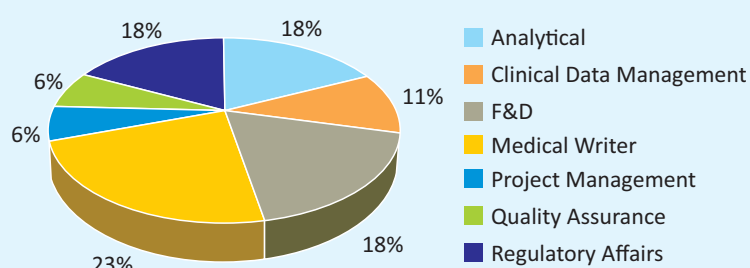

# Job opportunities by BNCP

-Steve Jobs

# Industry academia interface

Students have to undergo a one month industrial training. Internship programs are arranged so that students can gain adequate exposure to industry and can come across with real time industrial problems. Internships are done in collaboration with industry and research centers. Students prepare a report on the project and submit the same to the college for evaluation.

Following are some of the companies who have provided internship to our Third year B.Pharm students.

Name of the Company	Virtual/offline	Department	Location
ACG	Virtual	Marketing Team	Mumbai
Alkem Laboratories	Virtual	Formulation & Development Dept.	Taloja, Panvel
Arati Drugs Ltd	Offline	QA, QC & Stores Dept.	Sion East
Boehringer Ingelheim pvt. Ltd. India	Virtual	Medical Department	Mumbai
Cameo Health care (India) Pvt. Ltd	Offline	Research & Development Dept.	Thane East
Excelon IP	Virtual	Intellectual property rights	Ahmedabad
Flax Laboratories	Offline	Research & Development & Quality Control Department	Mira Road East
Godrej consumer products limited	Virtual	Personal Care Dept.	Vikhroli East
HAB pharma	Offline	QC, QA & Production Department	Worli Mumbai

Pharmalink Laboratories	Offline	Stores, Manufacturing, Packing & QC Department	Vasai Road East
Roaq Chemicals Pvt. Ltd	Offline	Pharmaceutical Analysis & Bulk Drug Marketing	Vadodara
Samrudh Pharmaceuticals Pvt Ltd.	Offline	Production, QC, QA Department	Goregaon west
Spellbound Inc	Virtual	Medical Writing	Malad East

# Students Profile

## M.Pharm (Pharmaceutics)

### Turabali Bana

- Research title : Design, development and optimization of an Oral drug delivery system.
- Area of Interest : F&D, R&D, Regulatory Affair
- Summer Internship : Haffkine Bio-pharmaceutical
- Credentials :
- Certified Six Sigma Green belt Professional.
  - Semifinalist of DRPI (Disso Research Presentation India) 2020.
  - Played Volleyball tournament at university level.

### Priyanka N. Gavali

- Research title : Solubility Enhancement of Azilsartan with Nanofibers
- Area of Interest : Formulation and Development. Medical Writing
- Summer Internship : At Eisen Pharmaceuticals Pvt. Ltd
- Credentials :
- Certified Six Sigma Green belt Professional.
  - Semifinalist of DRPI (Disso Research Presentation India) 2020.
  - Played Volleyball tournament at university level.

### Bharti Gupta

- Research title : Fabrication and Characterization of Novel Drug Delivery System
- Area of Interest : R&D, F&D, Regulatory affairs, QA.
- Summer Internship : Raptakos, Brett and Co Ltd
- Credentials :
- Won 3rd rank in 15th inter-collegiate / Institute / Department Avishkar research convention 2020-21 organized in Engineering and Technology category in PG level.
  - Participated in "Parishodhana-2021 an industry defined problem" organized by Dr Bhanuben Nanavati College of Pharmacy
  - Attended one week induction program on "QbD in Pharma Development" organized by Anjuman-I-Islam's Kalsekar Technical Campus, School of Pharmacy

### Jayesh Gupta

- Research title : Development of Novel Nanoparticles for efficient drug delivery system.
- Area of Interest : R&D, F&D, Regulatory affairs, Production
- Summer Internship : UMANG PHARMATECH PVT. LTD
- Credentials :
- Secured 3rd rank in 'Avishkar Research Convention 2020-21, (University Level Research Proposal Competition)' at PG level, organized by University Of Mumbai.
  - Participated in 'Parishodhna 2021 - Industry defined problems' solving competition and presented poster in second 'Student research congress' organized by Dr. Bhanuben Nanavati College of Pharmacy.

### **Drashti Maniyar**

Research title : Formulation and evaluation of an oral drug delivery system  
Area of Interest : Formulations R&D  
Summer Internship : Micro Labs FR&D  
Credentials : –

### **Nidhi Pandya**

Research title : Formulation and evaluation of novel drug delivery system for bioavailability enhancement  
Area of Interest : R&D, Regulatory Affairs, F&D  
Summer Internship : IPCA Laboratories Ltd.  
Credentials : 

- Certified Six Sigma Green belt Professional.
- Semifinalist of DRPI (Disso Research Presentation India) 2020.
- Played Volleyball tournament at university level.
- 1st runner up in the innovative idea challenge competition of 2nd SRC organized by SVKMs BNCP co-organized by Mumbai University
- Participated in Parishodhna 2021 Industry defined problems held at college

### **Darshana Sakpal**

Research title : Novel formulation for ocular drug delivery system  
Area of Interest : R&D, F&D and Regulatory Affairs  
Summer Internship : Sanjivani Parenteral Ltd.  
Credentials : 

- 2nd runner up at Avishkar Research Convention 2020-21
- Part of student Council in 2018-19 as a Class Representative

### **Shreyas Salgaonkar**

Research title : Formulation, Development and Characterization of novel targeted delivery for psoriasis  
Area of Interest : R & D, F & D and production  
Summer Internship : IPCA laboratories  
Credentials : 

- Winner of Parishodhana 2021- Industry defined problem organized by SVKM'S Dr Bhanuben Nanavati College Of Pharmacy
- Winner of Pharmwiz organized by Institute of Chemical Technology (ICT)

### **Jil Shah**

Research title : Novel drug delivery for intranasal administration  
Area of Interest : R&D, Formulation & development, Regulatory affairs  
Summer Internship : IPCA Laboratories Ltd.  
Credentials : 

- Secured 2nd position in the 'Innovative Idea Challenge' in the 2nd Student research congress organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy.

### Jenny Shah

- Research title : Development and Characterization of a Novel Drug Delivery System
- Area of Interest : F&D, Regulatory affairs, Clinical Research, R&D
- Summer Internship : Meyer Organics Pvt. Ltd. , Pharma Literati
- Credentials :
- Secured Second position in innovative idea challenge at 2nd Student Research Congress 2021, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy co-hosted by University of Mumbai.
  - Participated in Avishkar Research convection 2021, organized by University of Mumbai and Parishodhana 2021-an Industry defined problem contest, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy.

### Shubham Tonape

- Research title : Design and development of Novel Oral Drug Delivery System
- Area of Interest : Reasearch and drug development, Regulatory affairs, Formulation and development
- Summer Internship : Mistair health and hygiene Pvt. Ltd.
- Credentials :
- Participated in Parishodhana 2020 industry defined problems

### Purva Vaishampayan

- Research title : Design and development of novel percutaneous drug delivery system for the management of women's health.
- Area of Interest : R&D, F&D, Medical writing
- Summer Internship : Shefa Health Care
- Credentials :
- Participated in "Parishodhana-2020-Industry Defined Problems" organized by Dr. Bhanuben Nanavati College of Pharmacy.
  - Complete certificate course in Drug Regulatory Affairs at NCRD'S Sterling Institute of Pharmacy in collaboration with Pharm Literati.

### Taher Vasowala

- Research title : Formulation and Optimization of Novel Drug Delivery System
- Area of Interest : F&D, R&D, Regulatory Affairs
- Summer Internship : Serum Institute of India, Pune (Jun 2018)  
Eisen Pharmaceutical Co. (Pvt.) Ltd, Pune (Jun 2019)
- Credentials :
- 3rd rank in Avishkar Research Convention 2020 at Mumbai University
  - Secured top ranks in 2 national online pharma quiz competitions
  - 1st rank in Parishodhana – Industry Defined Problem Contest

---

**Shriya Karmarkar**

- Research title : Design, Develop, Formulate and Characterization of Novel Drug Delivery System for Rheumatoid Arthritis
- Area of Interest : Regularly Affairs, intellectual property rights, Formulation development, Research and Development
- Summer Internship : Ivory Soaps Work Limited, Nashik
- Credentials : • Participated in Avishkar Research convection 2021, organized by University of Mumbai and Parishodhana 2021-an Industry defined problem contest, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy.

---

**Shrutika Gawli**

- Research title : Design, development and Characterization of targeted delivery to colon
- Area of Interest : F&D, R&D , regulatory affairs
- Summer Internship : Janta Medicals
- Credentials : • Participated in Avishkar Research convection 2021, organized by University of Mumbai and Parishodhana 2021-an Industry defined problem contest, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy.

## M.Pharm (Quality Assurance)

### Chaitanya Bhawar

Research title : Design and evaluation of a Pharmaceutical

Area of Interest : F&D, R&D, Regulatory Affair, QA

Summer Internship : At Aditya medicals

Credentials :

- Won first prize in "Parishodhana 2021-Industry defined problems" organized by SVKM'S Dr. Bhanuben Nanavati College of Pharmacy.
- Second prize in 2nd Student research congress national level poster presentation competition.
- Placement coordinator in training and placement cell of SVKM's Dr Bhanuben Nanavati College of Pharmacy, 2021
- Winner and participated in various national level poster and oral competitions

### Bhunesh Bore

Research title : Development of privileged scaffolds as bioactive agents

Area of Interest : Quality Assurance, Regulatory Affairs and Medical Writing

Summer Internship : At Eisen Pharmaceuticals Pvt. Ltd

Credentials :

- Poster Presentation in International E Conference "Frontline Areas in Chemical Sciences" from Pacific University

### Gargi Dixit

Research title : Development of oxidative stress modulators with potential therapeutic applications

Area of Interest : QA, medical writing, R&D

Summer Internship : Lesanto laboratories

Credentials :

- Third prize in Research Grant Writing competition organized by BNCP (2021)
- Participated in SRC poster competition organized by BNCP (2021)

### **Akshata Geedh**

- Research title : The study of medicinal plant from Family Fabaceae
- Area of Interest : R&D, QAQC, Regulatory affairs
- Summer Internship : Dortmund Lab, Dombivali
- Credentials :
- University Representative of K.G.R.D.C.P & R.I, Karjat 2019-20.
  - Participated in K.G. Sanjevaani Patient Counseling 2017-18.
  - Participated in Poster Presentation (Patient Counseling-Need of Hour) at 5th Pharmacy Conclave held at Hiranandani Hospital, Powai on 20th Jan 2017
  - Deputy General Secretary of S.N.D.T Women's University Premlila Vithaldas Polytechnic, Santacruz 2016-17.

### **Ruchita Gharat**

- Research title : Design and Synthesis of Bioactive Molecules for treatment of Alzheimer's disease
- Area of Interest : R&D, Medical writing, QA, Clinical research
- Summer Internship : Lesanto Laboratories
- Credentials :
- Secured Third place in Research Grant Writing Competition and participated in SRC

### **Anuja Harugade**

- Research title : Development and evaluation of Nanocarrier based drug delivery system for antidiabetic agent
- Area of Interest : Regulatory affairs, R&D, QA, Pharmacovigilance
- Summer Internship : Glenmark Pharmaceuticals Ltd. Goa.
- Credentials :
- Participated in "Parishodhana- 2021, an industry defined problem contest" organized by Dr. Bhanuben Nanavati College of pharmacy.
  - Completed certificate course of "GMP: Quality risk management".
  - Completed certificate course of "Drugs and Cosmetics Act, 1940 and Rules, 1945".

### **Manjiri Jalgaonkar**

- Research title : Biological Evaluation of Polyherbal extract in Chronic Kidney Disease
- Area of Interest : QA, Regulatory affairs, Pharmacovigilance
- Summer Internship : IPCA Laboratories Pvt Ltd
- Credentials :
- Qualified to second round in AVISHKAR Research Convention
  - Member of DLLE, CCPC and Rotaract Club
  - Presented poster at the second Student Research Convention organised by SVKM's Dr. Bhanuben Nanavati College of Pharmacy

**Arya Nair**

- Research title : Phytochemical investigation and biological evaluation of a medicinal plant
- Area of Interest : R&D, QA, Regulatory affairs
- Summer Internship : Samrudh Pharmaceuticals Pvt.Ltd
- Credentials :
  - Won first prize in "Parishodhana 2021- Industry Defined Problems" and second prize in national level poster presentation in "2nd Student Research Congress"

**Urvi Parmar**

- Research title : Biological evaluation of effect of dietary restriction in diabetic complications.
- Area of Interest : Quality Assurance
- Summer Internship : –
- Credentials :
  - Participated in Pharma Poster Presentation in GTU-Techfest 2018.
  - Won 3rd prize in Pharma Khoj in GTU-Techfest 2018.
  - Participated in Poster presentation in Student Research Congress organized by SVKM's Dr Bhanuben Nanavati College of Pharmacy and Co-hosted by University of Mumbai.

**Manshi Patel**

- Research title : Development of multifunctional molecules as active therapeutic agents
- Area of Interest : Qa, DRA, Pharmacovigilance, FnD
- Summer Internship : Acg capsules in Qa dept.
- Credentials :
  - Won the parishodhana industry defined problems event held at BNCP
  - Second runner up in research grant writing competition

**Nikita Pise**

- Research title : Forced Degradation Studies on agent of Therapeutic Interest
- Area of Interest : QA, Pharmacovigilance, Drug Regulatory Affairs
- Summer Internship : Ajanta Pharma Ltd.
- Credentials :
  - Secured 2nd place in Poster Presentation (PG-PhD) category in 2nd Student Research Congress, under the theme "Innovations in Health Care" organized by SVKM'S Dr. BNCP,2021
  - Secured 3rd place in Industrial Presentation organized by St. John Institute of Pharmacy & Research, 2020
  - Completed Certificate Course on "Introduction of Patent Cooperative treaty" organized by World Intellectual Property Organization (WIPO)

### **Nikita Sanap**

Research title : Formulation development of herbal gel for mouth ulcer  
Area of Interest : Quality Assurance, Pharmacovigilance, Quality control  
Summer Internship : Holden Medical Laboratories Pvt. Ltd.  
Credentials : –

### **Greeshma Surendran**

Research title : Design and synthesis of novel bioactive molecules  
Area of Interest : QA, R&D, F&D, Regulatory Affairs  
Summer Internship : Zoetis Pharmaceuticals Ltd.  
Credentials : 

- Completed Certification course in Pharmaceutical Operations of A2I (Academia to industry, bridge the gap) organized by Pharmaelite in association with ACG and SciTech Centre.
- Participated in Parishodhana-2021, an Industry defined problem contest, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy on 5th June 2021.

### **Deepika Tiwari**

Research title : Development of anti-inflammatory herbal nanonized drug delivery system  
Area of Interest : Quality Assurance, Regulatory Affairs, F & D, Medical Writing  
Summer Internship : Gelnova Pvt Ltd.  
Credentials : 

- Placement coordinator in training and placement cell of SVKM's Dr Bhanuben Nanavati College of Pharmacy, 2021
- Secured second position in poster presentation competition in 2nd Student Research Congress, 2021

### **Saurabh Mundada**

Research title : Development of anthelmintic veterinary formulation  
Area of Interest : regularly Affairs, intellectual property rights, Formulation development, Research and Development  
Summer Internship : –  
Credentials : –

## M.Pharm (Pharmacology)

### Aaliya Ali

Research title : Evaluation of hepatoprotective potential of selected drug

Area of Interest : Clinical research, R&D, Medical writing

Summer Internship : –

Credentials : 

- Participated in “Parishodhana- 2021 Industry Defined Problems” and Poster presentation in
- Student Research Congress 2021 organised by Dr. Bhanuben Nanavati College Of Pharmacy

### Alveera Ansari

Research title : Exploring the specific target is ulceration

Area of Interest : Clinical trials, medical writing, pharmacovigilance

Summer Internship : Khandelwal laboratories

Credentials : 

- Participated in "Parishodna 2021- industry based problems" won many cultural completion during bachelor's

### Nirav Bhatia

Research title : Screening of drugs for central nervous system activity.

Area of Interest : Clinical Research, R&D, Pharmacovigilance

Summer Internship : Tata Memorial Centre, Advanced Centre for Treatment, Research and Education in Cancer (ACTREC), Central Research Laboratory, D.G. Ruparel College, IPCA labs

Credentials : 

- Published a research paper titled " Anti-mitotic and Cytotoxic Potential of Methanolic Extract from Lingula anatina",
- First Runner-up in Parishodhana-2021, an Industry defined problem contest, organized by SVKM's Dr. Bhanuben Nanavati College of Pharmacy.

# Alumni Speaks

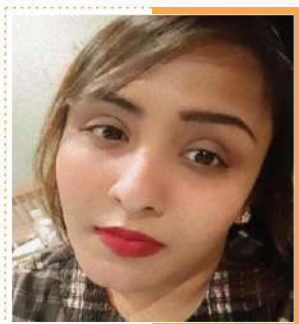

## Mr Mohammad Ali Kadiwala

B. Pharm Batch 2008-2012

Associate Digital Marketing Manager, Sun Pharma

It was a wonderful experience at BNCP with an excellent exposure provided across the various platforms. The teachers are very supportive and encourage students to push boundaries to rise above expectations. BNCP targets for an overall development of every student, be it education, cultural awareness or practical exposure of the pharmacy world like industrial exposure. The placement activities are pretty good and come with training given on how to conduct oneself and face interviews confidently. The ambience of the campus is very positive and the whole experience is very good and there is always support & motivation from the teachers to pursue our dreams.

## Ms Sweta Jain

B. Pharm Batch 2009-2013

Regulatory Manager, Working with Glopharm Laboratories Pvt Ltd.

As an alumnus of BNCP I feel happy to share my thoughts about our esteemed college. The faculty team of our college is made up of high esteem professors who are not only friendly but also dedicate their day in implementing academic knowledge and co-operate as well. The college has always encouraged me to participate in various presentations which has helped me to develop a professional attitude. I would owe a big thanks to my college for imparting self- confidence, humility and commitment attitude within me.

# Alumni Speaks

## **Ms. Tanvi Parmar**

M. Pharm Batch 2019-2021

I am glad to provide you with my feedback about the college. I have successfully completed M.Pharm from BNCP and I would like to thank Dr. Pramod Kadu for all the support, mentorship and guidance throughout. My overall experience has been amazing, and college has provided me with a number of opportunities to grow and explore my skills. Also the college is having an amazing infrastructure to work in.

## **Mr. Dhaval Sancahala**

M. Pharm Batch: 2015-2017

Current position – Scientific Writer – Medical Activities Hub at Sanofi

As a student of BNCP it was a steep learning curve for me. The support from teaching and non-teaching staff has always encouraged me to perform better in academics. BNCP added another dimension to my overall development by motivating me to participate in a range of extracurricular activities. A special shoutout to BNCP and Dr. Lokeshkumar Bhatt for whatever I have achieved during and after my M. Pharm.
