

Shri Vile Parle Kelavani Mandal's  
**Dr. Bhanubhen Nanavati College of Pharmacy**

**PLACEMENT BROCHURE 2018-19**

*The "queen of gems" pearls have had a long history of importance to human beings. Rare, treasured for their beauty, and one of the most expensive gems in the world, natural pearls have been tied to historical events and revered in religious texts. Their history has reflected the best of the human capacity for treasuring beauty and uniqueness, offering gifts to others, and creativity, with the invention of cultured pearls and diverse jewelry.*

## Vision

To be recognized as a top institute of pharmaceutical sciences in the country which develops professionally competent and socially sensitive individuals who cater to the needs of higher pharmacy education, research and industry.

## Mission

To create and provide congenial environment for higher education and research through well qualified motivated faculty and state of the art infrastructure.

To strengthen the learning process through innovative teaching methodology and stimulate professional competency that meet the dynamic needs of the pharmaceutical and healthcare industry.

To imbibe in graduates attributes of inquisitiveness, leadership, sensitivity and responsiveness towards the societal healthcare needs.

## Programme Educational Objectives

Graduates will be equipped with Sound pharmacy knowledge enabling them to be successful in pharmaceutical and healthcare industry.

Graduates will be able to demonstrate enhanced communication skills in their profession.

Graduates will be motivated to pursue higher education.

Graduates will be groomed through participation in various professional and social activities to enhance their overall personalities.

## College Milestones

- 2018**
  - Gold Medal at 13th Maharashtra State Inter-University research convention Avishkar 2019 in PG category (Medicine and Pharmacy).
  - National Institutional Ranking Framework (NIRF 2018) ranked 32 at National Level(Pharmacy).
  - B.Pharm intake capacity increased to 100 students.
  - DST-FIST grants Rs. 100,00,000 lacs under private college category.
  - Grants received from government agencies is 211.22 lacs and from industry consultancies is 90.46 lacs since last 3 years.
  - Best College Award in PHO & Tech Fest in Rx Festival Organized by IPA-MSB-SF.
  - Best College Award in Hepathon organized by IPA-MSB-SF.
- 2017**
  - B.Pharm programme accredited by National Board of Accreditation for 5 years till 2022.
  - National Institutional Ranking Framework (NIRF 2017) ranked 42 at National Level(Pharmacy) & ranked 4th in Mumbai city.
  - Best Industry Linked Pharmacy college award (Established Category) by AICTE-CII survey.
  - Best college trophy in RX festival 2017 organised by IPA-MSB.
- 2016**
  - Platinum Category by AICTE-CII Survey.
  - Approved Ph.D (Pharmaceutics & Pharmaceutical Chemistry) Centre.
  - Best College in Rx festival 2016 organized by IPA-MSB.
  - MOU with Laurentian University, Canada.
- 2015**
  - Trophy winner of Best Industry Linked Pharmacy college(Degree) by AICTE-CII survey.
  - Best College trophy in Rx festival 2015 organized by IPA-MSB.
- 2014**
  - Best College trophy in Rx festival 2014 organized by IPA-MSB.
- 2013**
  - Introduced post graduate programme : M.Pharm in Pharmacology.
  - Best College in Rx festival 2013 organized by IPA-MSB.
- 2012**
  - Introduced post graduate programmes: M.Pharm in Pharmaceutics & Quality Assurance.
  - Best College in Rx festival 2012 organized by IPA-MSB.
- 2011**
  - Best College in Rx festival 2011 organized by IPA-MSB.
- 2004**
  - Established Four Year B.Pharm programme.

## President's Prologue

SVKM's Dr. Bhanuben Nanavati College of Pharmacy is one of the top ranking institutes in Mumbai. The institute's programmes supported by state-of-the-art infrastructure with access to modern classrooms, laboratories and library, research facilities with the latest technology and faculty with extensive research and industry background offer our students with a comprehensive learning experience.

The institute has a dynamic curriculum with add-on certificate courses that equip students for a professional career in healthcare industry, academics, research and government sectors. The institute has received major recognitions and research funding from the Government of India which represent excellence, innovation and leadership. These attributes are sustained across our alumni, students, faculty and staff as we move towards our vision of academic and research excellence.

### **Shri Amrish R. Patel**

President, SVKM

## Message from the Mentor

SVKMs Dr. BNCP is an institute of national repute in pharmacy education and research being ranked 32 in the National Institutional Ranking Framework (NIRF) 2018. The institute's academic programmes span from professional undergraduate studies and specialised graduate studies to doctorate in Pharmaceutical Chemistry and Pharmaceutics. The institute is committed to best innovative teaching practices and learning outcomes combining state-of-the-art learning technology and a forward thinking approach that mould the students into competitive professionals.

The institute proactively pursues productive and collaborative research partnerships with the industry and other academic institutes. It has strong funding support via industry consultancy projects that provide ample opportunities for the undergraduates to participate in research activities of the institute. It has graduated hundreds of competent health care professionals playing versatile roles in the health care sector equipped with knowledge and exposure gained at our institute. The BNCP team has received many accolades by working together to advance and influence education and research. They play a key role in preparing our students for an exciting future in pharmaceutical sciences in the dynamically evolving healthcare landscape.

### **Mr. Jayesh P. Choksi**

Chairman and MD, Gufic Biosciences Ltd.

## Foreword from the Director

SVKM's Dr. Bhanuben Nanavati College of Pharmacy (BNCP) has the vision of being recognized as a top institute of pharmaceutical sciences in the country that develop professionally competent and socially sensitive individuals catering to the needs of higher pharmacy education, research and industry.

The institute consistently attracts the finest faculty and the best students for its Bachelors , Masters and Doctorate programmes. It has continually reinvented its academic programme and research infrastructure. Students are provided with a dynamic academic curriculum, hands on experience that nurture students participation in sports, cultural festivals and technical fests. The students have multiple opportunities to build up their professional degree with certificate courses and graduate with the richest possible academic experience.

The institute offers programmes and skill building curriculum that prepares the students to meet the growing demand of smart and technically competent healthcare professionals.

It gives me great pleasure to welcome you to our vibrant campus and our talent pool of students.

### **Dr. R. S. Gaud**

Director, SVKM's Pharma Institutions

## From the Principal's Desk

It gives me immense pleasure to invite our potential esteemed recruiters to our institute for campus selection of the undergraduate and graduate students.

I feel privileged to present the placement brochure encompassing student profiles for the academic year 2018-2019. SVKM's Dr.BNCP offers B.Pharm programme accredited by National Board of Accreditation (NBA) for 5 years, M.Pharm programme in Pharmaceutics, Quality Assurance and Pharmacology. Our institute has well equipped laboratories and animal house conducive to research in formulation development, analytical method development and CPCSEA approved pharmacological screening across versatile therapeutic categories.

Our students are merit rank holders in the University of Mumbai, they have brought accolades in inter-university technical, sports, cultural and community outreach competitions at the State and National level. We provide a lucid platform to our students to hone their communication, interpersonal, team building and leadership skills. We are happy that many of our students secure admission in the best pharmacy Universities in USA, Europe and Canada. Our alumni have performed exceptionally well rising up the corporate ladder towards professional excellence & success.

I look forward to invite many more organisations to get associated with us in our placement drive. We give assurance that this association will be mutually beneficial and go a long way in establishing fruitful relationships.

**Dr. Munira Momin**

Principal

## Dr. Bhanuben Nanavati College of Pharmacy

SVKM's Dr. Bhanuben Nanavati College of Pharmacy a rapidly growing pharmacy institute with a National Board of Accreditation (NBA) B.Pharm Programme and an all India National Institutional Ranking Framework ranking of 32 has a strong academic and research culture which makes it one of the most sought after colleges in Mumbai. It offers undergraduate, graduate and doctorate programmes approved by All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI) and is affiliated to the prestigious University of Mumbai.

The institute is committed to provide an education that emphasizes ethical development along with intellectual growth and prepares the students to make significant contribution in the pharma and healthcare sector and the community at large. Well equipped library and research facilities with highly qualified faculty provide an excellent learning experience and a congenial research environment.

The institute offers the students a platform that fosters passion, integrity, commitment, creativity, social responsibility, collaboration and teamwork via academic and extracurricular activities. The soft skills module helps to develop job skills, critical thinking, professional ethics, effective communication in our students. The institute is poised to provide a comprehensive transformative and real world college experience to the students.

*A pearl is a lustrous object made of nacre (mother-of-pearl) that is organically produced by certain hard-shelled mollusks, principally oysters and mussels.*

# Infrastructure

- Air-conditioned Classroom with ICT enabled Teaching Learning tools like smart boards.
- Wi-Fi enabled campus
- State-of-the-art Laboratories
- Cell Culture Lab
- CPCSEA Animal House
- Medicinal Garden (SATVA VATIKA)
- Central Instrument Laboratory
- Pilot Plant
- E-Learning Lab
- Library
- Auditorium
- Conference Room
- Recreation Area
- Seminar Hall

# Key Research Facilities

Pilot Plant	Central Instrumentation Facility	
High Pressure Homogenizer	Animal study facilities	HPTLC
Extruder & Spheronizer	Cell culture facility	Particle size analyser (Nano)
Lab Spray Dryer	HPLC	Franz diffusion apparatus
Mini roll Compactor	DSC	Rotary evaporator
Tablet Compression Machines	UV-Vis Spectrophotometers	Ultracentrifuge/ Cold centrifuge
Coating Machine	Precision Melting point app.	Ultrasonicator
Rapid Mixer Granulator	Ultraturrax Homogenizer	Deep freezer (-29oC)
Fluid Bed Processor	Flame Photometer	Liquid capsule Filling Machine
Hot Air Oven (Tray Dryer)	Photographic microscope	Brookfield Viscometer
Double Cone Blender	FTIR	Probe Sonicator
Multi Mill	LC-MS	
Electronic Balances		
Electrospinning nanofiber equipment		
All Purpose Equipment		

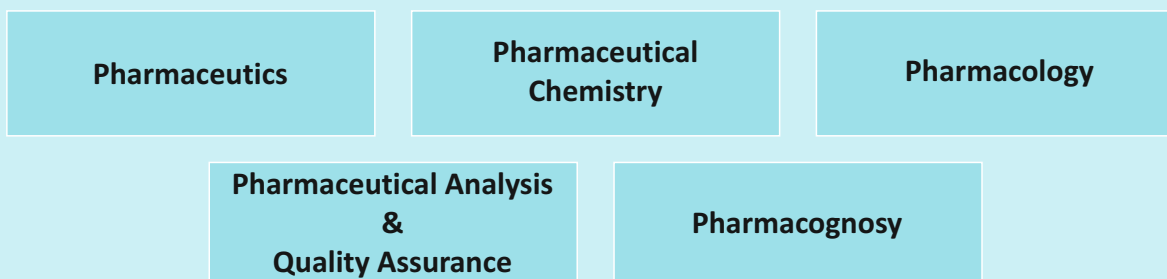

*Pearls are formed inside the shell of certain bivalve mollusks in concentric layers around a foreign particle or irritant.*

# Programs & Course Structure

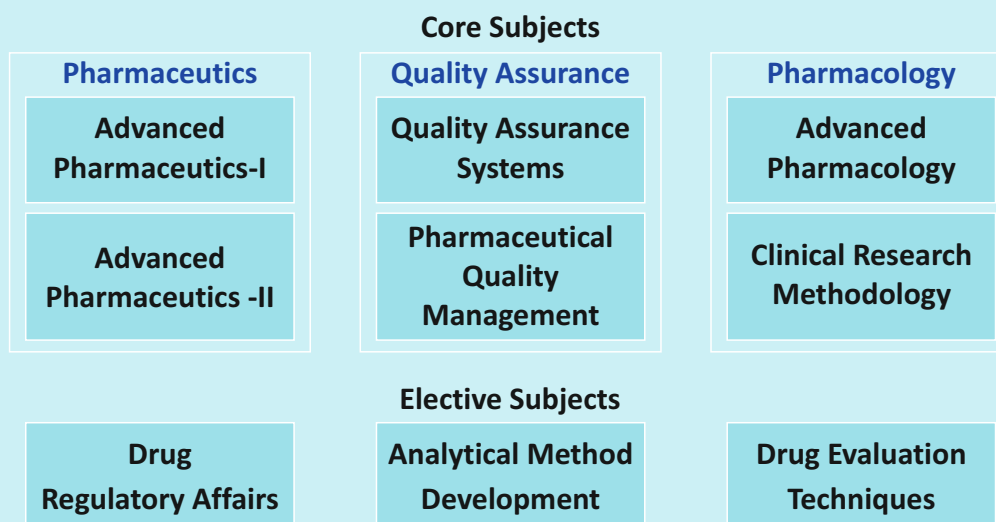

## B. Pharm

SVKM's Dr. Bhanuben Nanavati College of Pharmacy offers four year B. Pharm degree course as per Mumbai University norms. Pharmacy Curriculum includes a wide variety of subjects, thus reflecting its multidisciplinary facet. The curriculum of B. Pharm course includes one month of industrial training after semester VI.

## M. Pharm

The college offers M. Pharm degree course of two years duration as per University of Mumbai norms in three specializations viz. Pharmaceutics, Quality Assurance & Pharmacology. The curriculum includes core and elective subjects in the first year followed by research project and submission of dissertation in the second year.

## Ph.D.

The college is approved by University of Mumbai as a research center for Ph.D. in following specializations.

- Pharmaceutical Chemistry
- Pharmaceutics

## Skill Development

Soft skill development & communication skills as a part of the curriculum for Undergraduate and Postgraduate students.

# Faculty Profile

## Pharmaceutics

Name of the Faculty	Qualification	Industrial Experience	Academic Experience
Dr. Munira Momin	M. Pharm, Ph.D.	-	21 years
Dr. Amrita Bajaj	M. Pharm, Ph.D.	-	44 years
Dr. Sujata Sawarkar	M. Pharm, Ph.D.	11 years	10 years
Mrs. Padmini Ravikumar	M. Pharm	17 years	16 years
Dr. Pramod Kadu	M.Pharm, Ph.D.	-	12 years
Dr. Prabha Singh	M. Pharm, Ph.D.	2 years	9 years
Dr. Meenal M . Rane	M.Pharm, Ph.D	3.5 years	5 years
Dr. Pramila Chaubey	M.Pharm, Ph.D	-	4 years
Mrs. Prachi Pimple	M.Pharm	2 years	8 years

## Pharmaceutical Chemistry and Quality Assurance

Dr. Tabassum Khan	M. Pharm, Ph.D.	4 years	15 years
Dr. Arati Prabhu	M.Pharm, Ph.D.	12 years	8 years
Dr. Vasanti Suvarna	M.Pharm, Ph.D.	2 years	13 years
Dr. Atul P. Sherje	M.Pharm, Ph.D.	-	13.5 years
Dr. Kavatkumar N.Patel	M.Pharm, Ph.D.	-	4.5 years
Dr. Radhika Raheja	M.Pharm, Ph.D.	-	22 years
Mr. Mihir Khambete	M.Pharm	-	-

## Pharmacology

Dr. Lokesh Kumar Bhatt	M.Pharm, Ph.D	2 years	11 yrs.
Dr. Kedar S. Prabhavalkar	M.Pharm, Ph.D	-	12 yrs.
Dr. Pravin P. Kale	M.Pharm, Ph.D	2 years	11 yrs.

## Pharmacognosy

Mrs. Rashmi Mallya	M.Pharm	-	14 years
Mrs.Madhavi Apte	M.Pharm	5 years	9 years
Mrs. Manisha J. Oza	M.Pharm	-	11 years

*Some give up arms under pressure, while other raise up and undergo life transforming experiences oysters responds beautifully to external pressure, giving birth to a priceless pearl.*

College organises campaigns

## Career Guidance and Placement Cell

The committee is composed of the placement executive, faculty members and student representatives. It is responsible for coordination of all activities pertaining to placements.

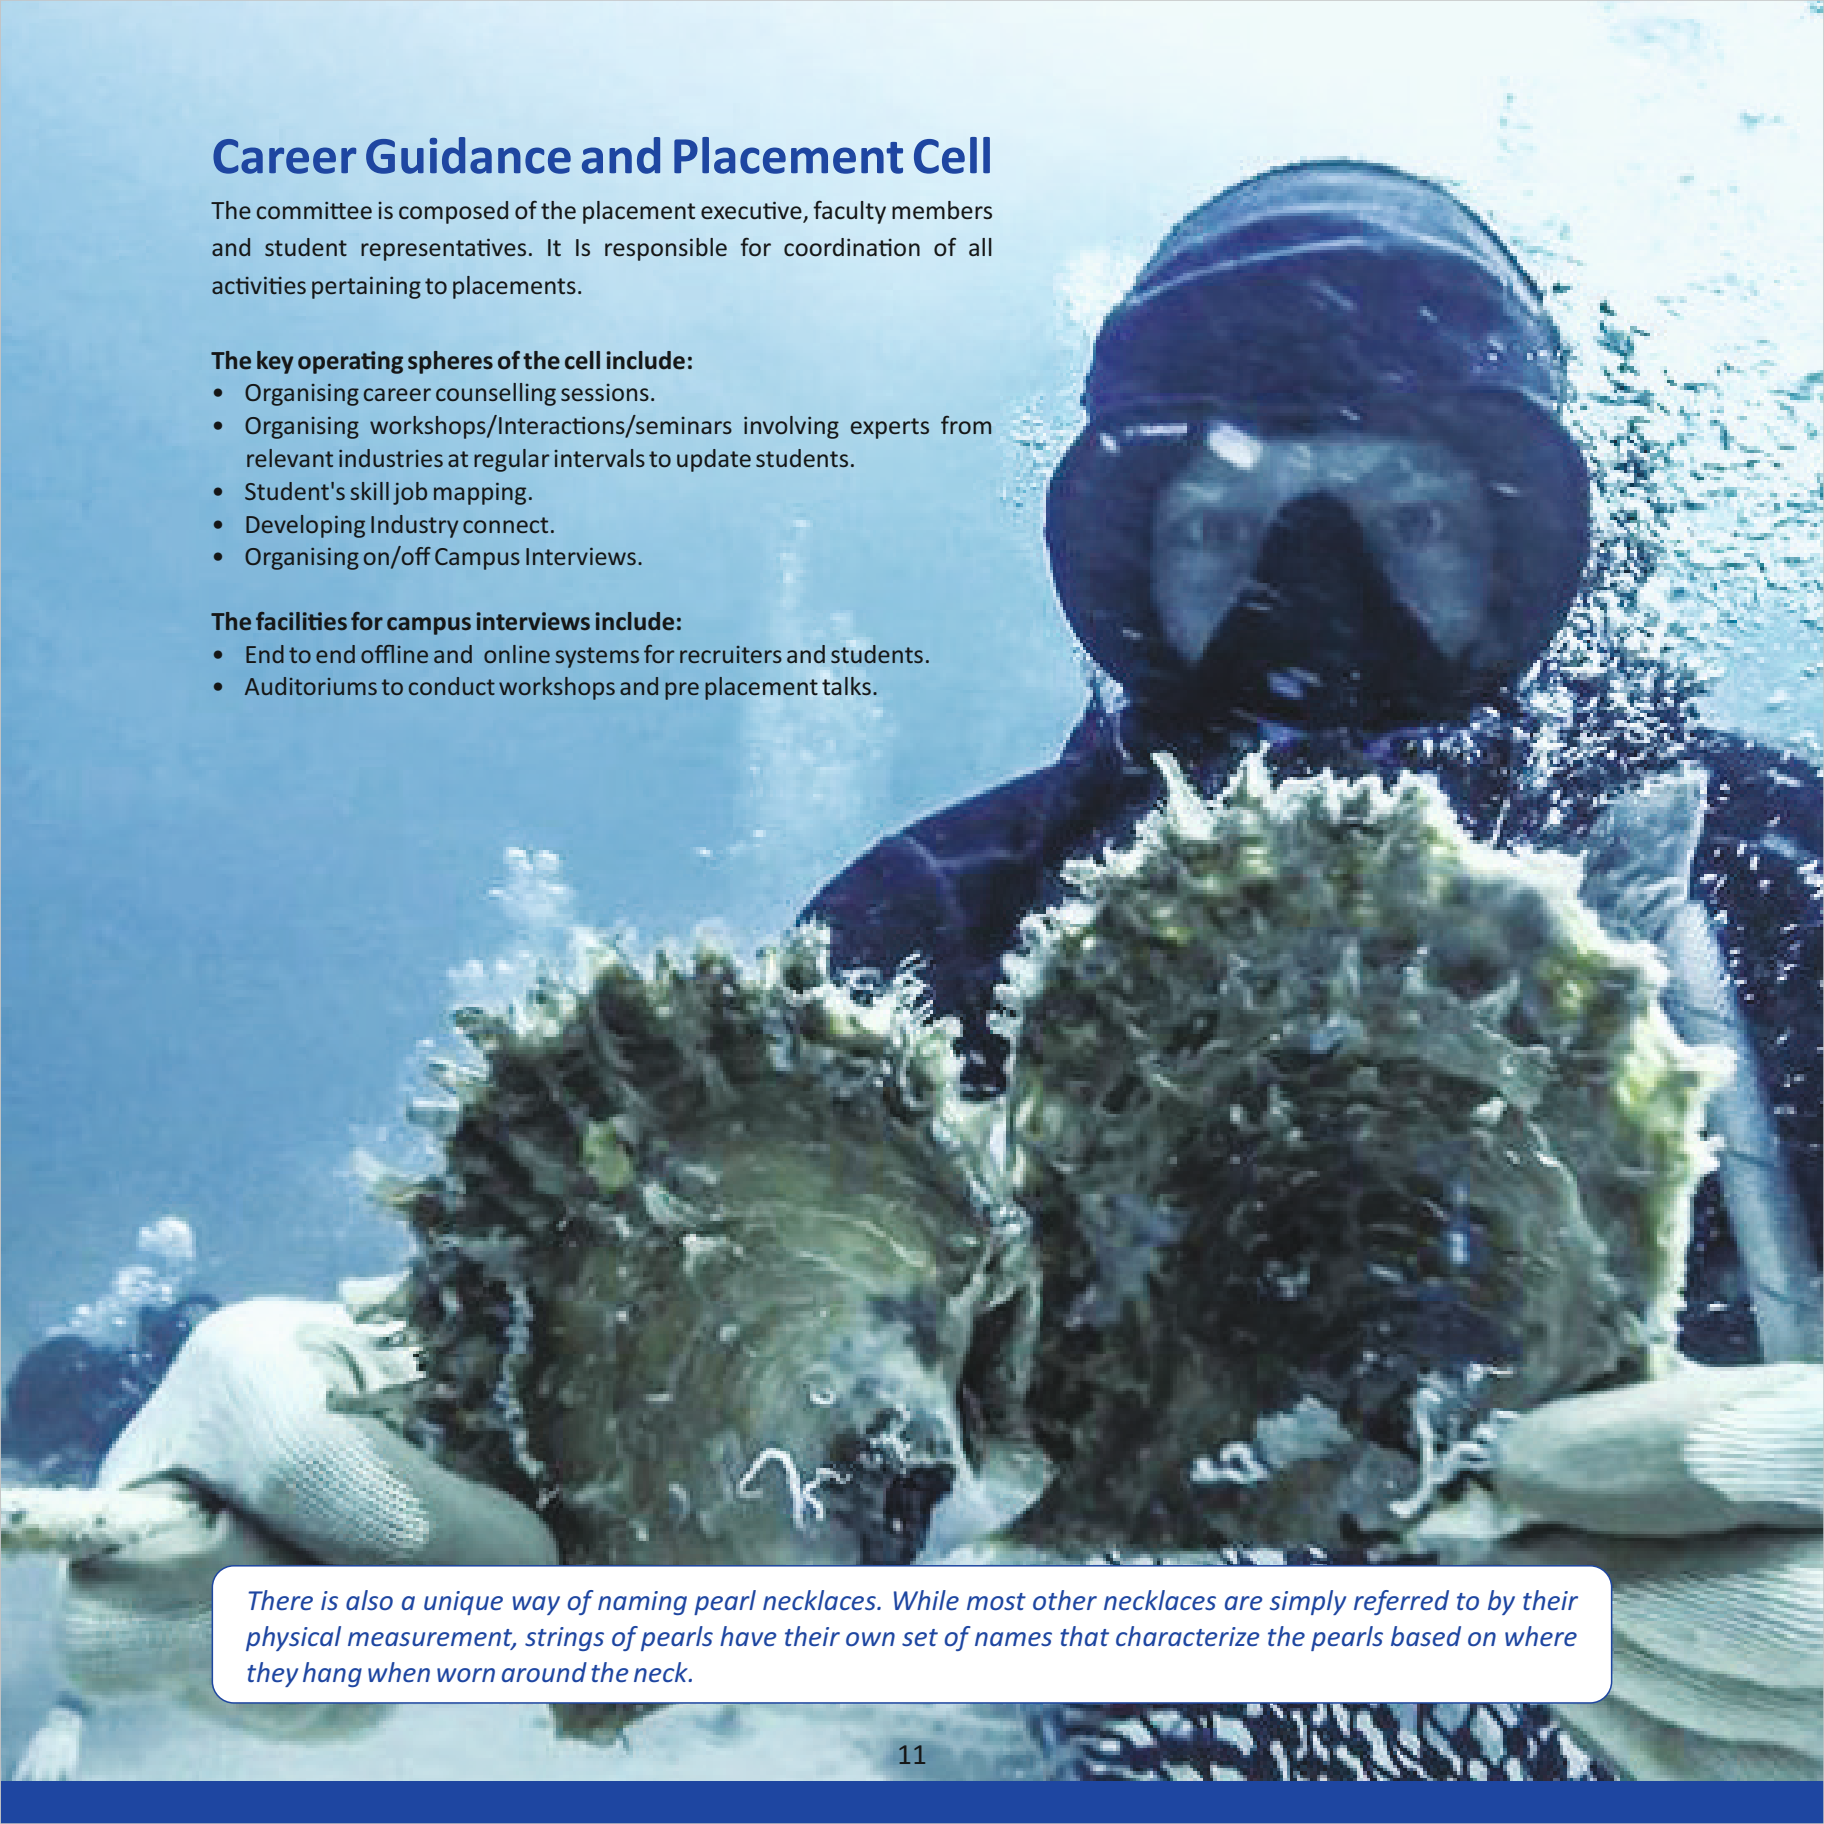

### **The key operating spheres of the cell include:**

- Organising career counselling sessions.
- Organising workshops/Interactions/seminars involving experts from relevant industries at regular intervals to update students.
- Student's skill job mapping.
- Developing Industry connect.
- Organising on/off Campus Interviews.

### **The facilities for campus interviews include:**

- End to end offline and online systems for recruiters and students.
- Auditoriums to conduct workshops and pre placement talks.

*There is also a unique way of naming pearl necklaces. While most other necklaces are simply referred to by their physical measurement, strings of pearls have their own set of names that characterize the pearls based on where they hang when worn around the neck.*

## Placement Committee

The committee handles various crucial tasks including reaching out to companies, scheduling & executing placement-related activities. The team strives to strike a match between recruiter expectations & student aspirations.

<b>Principal</b>	Dr. Munira Momin
<b>Faculty-in-charge</b>	Dr. Sujata Sawarkar Mrs. Padmini Ravikumar Dr. Atul Sherje Dr. Aarti Prabhu Dr. Prabha Singh
<b>Placement Executive</b>	Ms. Sangeeta Naikodi
<b>Student Placement Coordinators</b>	Mehul Pandya Divya Popat Raj Khatri Krishna Baxi V. Eyaldeva Jigna Jain Neeyati Patel Nishi Dudhara Daksh Jain Nitin Khatri

## Skill Development Programmes

The college has established strong industry linkages and identified gaps in the curriculum as an outcome of regular interaction with the experts from well-known pharmaceutical industries. Considering the current competitive global scenario, the college aims to prepare the future pharmacists with a potential to face the challenges in the profession and be abreast with the expertise knowledge and technical skills.

### Short Term Certificate Courses

The college has constituted a well-balanced industry advisory committee. Add on courses were started on the suggestions of the committee to bridge curriculum gaps which are mentored by eminent industry professionals.

The certificate courses conducted by the college are:

- Drug Regulatory Affairs
- Pharmacovigilance
- Pharmaceutical Packaging
- International Business Development

### Development of Soft Skills

Emphasis is given on the development of soft skills for students by soft skills trainers which help the students to face the corporate world in a confident manner. Some of the modules covered in the soft skills training include following:

- Communication skills
- Interview Skills
- Presentation skills
- Group Discussion
- Corporate Grooming and Etiquette
- Work Ethics
- Self Awareness
- Goal Setting
- Attitudinal development
- Leadership
- Time Management
- Stress Management
- Pre-Placement Package offered to Final Year students
- Resume Writing
- Interview skills
- Group Discussion
- Corporate Grooming and Etiquette

## Summer Internships during the academic year 2017-18

Students have undergone technical training for one month in industries in diverse areas like Production, quality control, quality assurance, analytical, formulations, regulatory affairs etc. Apart from this, there are M.Pharm students currently working on research projects in formulation & development, analytical method development in the industry.

## M.Pharm (Pharmaceutics)

### Farheen Boat

**GPAT** : Qualified  
**Research Title** : Design And Development of A Novel Topical Formulation  
**Areas of Interest** : Medical Writing, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Umang Pharmatech Pvt. Ltd.

### Krishna Baxi

**GPAT** : Qualified  
**Research Title** : Design Concept, Formulation And Characterization of Vaginal Drug Delivery  
**Areas of Interest** : Research and Development, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : IPCA Laboratories Ltd.

### Rashmi Jalgaonkar

**GPAT** : Qualified  
**Research Title** : Development And Evaluation of Oral Drug Delivery system.  
**Areas of Interest** : Drug Regulatory Affairs, Marketing, Quality Assurance and Quality Control  
**Summer Internship** : Umang Pharmatech Pvt. Ltd.

### Maria Dhariwala

**GPAT** : Qualified  
**Research Title** : Development And Evaluation of Novel Cosmeceutical Formulations  
**Areas of Interest** : Research and Development, Formulation and Development  
**Summer Internship** : ACG Worldwide

### Fateh Khan

**GPAT** : Qualified  
**Research Title** : Optimisation And Characterisation of Novel Drug Delivery System  
**Areas of Interest** : Project Management, Business analyst, Product Development  
**Summer Internship** : Komal Exotic Species

### **Pritam Kamble**

**GPAT** : Qualified  
**Research Title** : Process, Optimisation And Assessment of Novel Drug Delivery System  
**Areas of Interest** : Marketing, Medical Writing, Drug Regulatory Affairs  
**Summer Internship** : Maneesh Pharmaceuticals

### **Vritika Kulwal**

**GPAT** : Qualified  
**Research Title** : Formulation Development And Characterisation of Novel Oral Drug Delivery System  
**Areas of Interest** : Research and Development, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Umang Pharmatech Pvt. Ltd.

### **Raj Khatri**

**GPAT** : Qualified  
**Research Title** : Design And Development of Oral Drug Delivery System  
**Areas of Interest** : Marketing, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Intas Pharmaceuticals Ltd. and Lupin Ltd.

### **Steffi Patrick**

**GPAT** : Qualified  
**Research Title** : Formulation And Evaluation of Topical Products For Wounds  
**Areas of Interest** : Research and Development, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Macelods Pharmaceuticals Ltd. and Cipla Ltd.

### **Mohammad Manasiya**

**GPAT** : Qualified  
**Research Title** : Formulation Development And Characterisation of Novel Carrier Based Topical Drug Delivery  
**Areas of Interest** : Research and Development, Formulation and Development, Production  
**Summer Internship** : Agog Pharma Ltd.

### **Pushkar Sathe**

**GPAT** : Qualified  
**Research Title** : Design And Development of Topical Formulations For Wound Management  
**Areas of Interest** : Research and Development, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Natco Pharma, Unijules Lifesciences

### **Pratiksha Prabhu**

**GPAT** : Qualified  
**Research Title** : Design, Development And Evaluation of Carrier Based Drug Delivery System  
**Areas of Interest** : Research and Development, Drug Regulatory Affairs, Formulation and Development  
**Summer Internship** : Pharmaceutical Products India Ltd.

### **Pramita Waghambare**

**GPAT** : Qualified  
**Research Title** : Studies on Multiparticulate Novel Drug Delivery System  
**Areas of Interest** : Drug Regulatory Affairs, Formulation and Development, Quality Assurance  
**Summer Internship** : Scientific Pharma

### **Satyam Shukla**

**GPAT** : Qualified  
**Research Title** : Formulation And Development of Novel Drug Delivery System  
**Areas of Interest** : Marketing, Drug Regulatory Affairs, Pharmacovigilance  
**Summer Internship** : Medico Pharma Ltd.

### **Gargi Athavale**

**Research Title** : Development And Evaluation of Topical Drug Delivery System  
**Areas of Interest** : Drug Regulatory Affairs, Formulation and Development, Pharmacovigilance  
**Summer Internship** : ACG Worldwide

## M.Pharm (Quality Assurance)

### **Nikita Baviskar**

**GPAT** : Qualified  
**Research Title** : Solubility enhancement of poorly soluble drug.  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development, Pharmacovigilance  
**Summer Internship** : Glaxosmithkline

### **Anju Kashyap**

**GPAT** : Qualified  
**Research Title** : Phytochemical Investigations of The Genus Litsea  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development, Quality Assurance  
**Summer Internship** : Maneesh Exports

### **Kranti Khochare**

**GPAT** : Qualified  
**Research Title** : Synthesis And Evaluation of Some New Bioactive Chemical Entities.  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development, Quality Assurance and Quality Control.  
**Summer Internship** : IPCA Laboratories Ltd.

### **Mayuresh Patkar**

**GPAT** : Qualified  
**Research Title** : Phytochemical Investigations of Cynodon Genus  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development  
**Summer Internship** : Macleods Pharmaceuticals Ltd.

### **Govind Ghongade**

**Research Title** : Herbal Drug Formulations And Evolutions.  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development, Quality Assurance and Quality Control

### **Jigna Jain**

- Research Title** : A study on use of cyclodextrin for solubility enhancement of poorly soluble drug
- Areas of Interest** : Drug Regulatory Affairs, Research and Development, Quality Assurance and Quality Control
- Summer Internship** : Saifee Hospital

### **Sohini Bhattacharya**

- Research Title** : Cosmeceuticals for Skin Care
- Areas of Interest** : Clinical Research & Development, Drug Regulatory Affairs, Research and Development
- Summer Internship** : Emami Ltd.

### **Mukesh Choudhary**

- Research Title** : Phytochemical investigation of a medicinal plant
- Areas of Interest** : Drug Regulatory Affairs, Pharmacovigilance, Quality Assurance and Quality Control
- Summer Internship** : Lesanto Laboratories

### **Shabnam Patel**

- Research Title** : Development and validation of a Pharmaceutical drug by Liquid Chromatography
- Areas of Interest** : Drug Regulatory Affairs, Research and Development

### **Heena Doshi**

- Research Title** : Bioactivity guided fractionation of medicinal plant
- Areas of Interest** : Quality Assurance, Drug Regulatory Affairs, Pharmacovigilance
- Summer Internship** : Astamed Healthcar Pvt. Ltd.

### **Megha Sarkar**

**Research Title** : Solubility Enhancement of API  
**Areas of Interest** : Research and Development, Quality Assurance, Formulation and Development  
**Summer Internship** : Medibios Laboratories Pvt. Ltd.

### **Akash Singh**

**Research Title** : Development and Evaluation of a Herbal Cosmetic Formulation  
**Areas of Interest** : Drug Regulatory Affairs, Pharmacovigilance, Clinical Data Management  
**Summer Internship** : Glenmark Pharmaceuticals Ltd.

### **Vikas Singh**

**Research Title** : Solubility Enhancement of An API Using Cyclodextrin  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development  
**Summer Internship** : Glenmark Pharmaceuticals Ltd.

### **Gaurav Tiwari**

**Research Title** : Development of Analytical Method And Validation Studies of Pharmaceutical  
**Areas of Interest** : Drug Regulatory Affairs, Research and Development, Quality Assurance  
**Summer Internship** : Cipla Ltd.

## M.Pharm (Pharmacology)

### Kinjal Gangar

**GPAT** : Qualified  
**Research Title** : Evaluation of Therapeutic Management Strategy For Epilepsy  
**Areas of Interest** : Medical Writing, Clinical Data Management, Drug Regulatory Affairs  
**Summer Internship** : Manbro Pharma Pvt. Ltd.

### Pranav Nair

**GPAT** : Qualified  
**Research Title** : Therapeutic Strategies For Management of Asthma  
**Areas of Interest** : Medical Writing, Pharmacovigilance, Research and Development  
**Summer Internship** : Cipla, Glenmarks Pharmaceuticals

### Kiran Rahate

**GPAT** : Qualified  
**Research Title** : Evaluation of Target Based Approach For Management of Arrhythmia  
**Areas of Interest** : Medical Writing, Pharmacovigilance, Research and Development  
**Summer Internship** : Manbro Pvt. Ltd.

### V. Eyaldeva

**GPAT** : Qualified  
**Research Title** : Assessment of New Therapeutic Approach for Management of Myocardial Infarction  
**Areas of Interest** : Medical Writing, Clinical Research, Research and Development

### **Kevin Shah**

**Areas of Interest** : Marketing, QA & QC

**Summer Internship** : Simandhar Medical

## Alumni Speaks

Alumni interaction with B.Pharm Students

**Sankalp Ashok Gharat**

Batch (2014-16)

Research Associate

Macleods Pharmaceuticals Ltd

R&D Centre

After completing 2.5 years in a Pharmaceutical Research and Development sector, I realised the importance of doing Masters Programme at a recognised institute. There are times when you realise your theoretical knowledge is just not enough to suffice the needs of today's on-growing pharma industry, your interpersonal and management skills are needed for professional growth and that's where your academic institute plays a significant role! Thanks to BNCP for shaping and sharpening us into better Pharma professionals. BNCP faculty has taught me that if you are confident, resourceful and sincere at your work, there are opportunities waiting for you!

BNCP has got me more closer to my dreams!

**Dhaval Sanchhala**

Batch (2015-2017)

Quality Control Specialist

Cactus Communications

As a student of BNCP it was a steep learning curve for me! The support from teaching and non-teaching staff has always encouraged me to perform better in my academics. BNCP added another dimension to my overall development by motivating me to participate in a range of extracurricular activities. A special shoutout to BNCP and Dr. Lokesh Bhatt for whatever I have achieved during and after my M. pharm!
