

Shri Vile Parle Kelavani Mandal's  
**Dr. Bhanubhen Nanavati College of Pharmacy**

**The Training and  
Placement Brochure  
2022-2023**

Pottery is an art that requires dedication, patience, and consistency to produce a masterpiece. The potter's skills transform raw clay into a stunning work of art by providing it the correct shape, temperature, pressure, and color. Our institution, like the meticulous artisan, adheres to the principle of making ongoing efforts to equip our students to enter the workforce as professionals. Students enter at SVKM's Dr. BNCP like lumps of clay and they are transformed into excellent pharmacy professional via rigorous training and a friendly environment. Every student at this institute is a one-of-a-kind work of art that we have molded.

**“Moulding a better future”**

## Vision

To be recognized as a top pharmaceutical institute and to provide affordable quality education, while equipping students with knowledge and skills in their profession and to inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings.

## Mission

To imbibe in graduates attributes of inquisitiveness, leadership, sensitivity and responsiveness towards the social healthcare needs.

Impart education of the highest standard through value based holistic teaching and learning by integrating traditional and innovative practices.

To strive for quality education in keeping with the motto of the college, "Excellence in Education" and prepare young minds for imbibing knowledge, skills and sensitivity.

## Program Education Objectives (PEOs)

- Graduates will be equipped with sound pharmacy knowledge enabling them to be successful in the pharmaceutical and healthcare industry.
- Graduates will be able to demonstrate enhanced communication skills in the profession.
- Graduates will be motivated to pursue higher education.
- Graduates will be groomed through participation in various professional and social activities to enhance their overall personalities.

# President's Message

On behalf of SVKM, I take this opportunity to express my views about our fresh, vibrant graduate and post graduate students who will be excelling from SVKM's Dr. Bhanuben Nanavati College of Pharmacy (BNCP) and entering the professional world in the year 2023.

The vital role that pharmacy plays in our daily life and overall growth is acknowledged in every corner of the nation during the last seven decades since independence. There has been a rapid expansion in the healthcare sector of the nation. The college has developed a positive attitude to maintain the standard of pharmacy education which will contribute in nurturing committed professionals and accelerating high standards of research.

One of the strongest parameters used to rank the success of an institution is placements. The institute's programs along with provision of a world-class infrastructure, highly qualified faculty members and well updated laboratories for hands-on experience offer our students a comprehensive learning experience. Our students at Dr. BNCP are trained in such a way to integrate their knowledge to the real time problems of business and industry.

Our institute inculcates the values of professionalism, ethics and commitment in our students. I take this opportunity to invite national and international companies to collaborate with our students.

**Shri. Amrish R. Patel**

President, Shri Vile Parle Kelavani Mandal

# Message from the Chairperson

SVKM's Dr. BNCP is one of the most reputed and top Pharmacy institutes in Mumbai and is ranked 38th in the country by the National Institutional Ranking Framework (NIRF- 2022). College is also accredited by National Board of Accreditation (NBA) for 6 years (A.Y.2017-2022). I appreciate Dr. BNCP's long standing relationship with all our recruiters.

The institute has good state-of-the art infrastructure with modern sophisticated pharmaceutical instruments along with highly qualified faculty members that helps to meet the challenges of pharmaceutical technologies across the globe. I am proud to state that Dr. BNCP has successfully bridged the gap between industry and academia, through various events, training programs, guest lectures, industry visits, skill based certifications courses based on inputs from our industry advisory committee. The entrepreneurship cell and Institute Innovation Council provide a platform for students to develop start ups and business ideas. This brings holistic professional grooming to our education to nurture the students as a true professional and individual. This trend is also reflected through the academic achievements of our students at annual pharmacy based competitions like Rx fest, overall champions at Avishkar competition organized by Mumbai University and our alumni progressing careers across pharma industry.

I wish to thank all our existing and new industry partners for their valuable support and looking forward to see you again on the campus as placements provide brilliant opportunities to the organizations by hiring students with different capabilities and talent adding value to your workforce.

**Mr. Jayesh P. Choksi**

**Mentor, BNCP**

**Chairman and MD, Gufic Biosciences Ltd.**

## Note from Principal

The institute has a glorious standing of 16 years and continues to evolve as the most reputed Pharmacy College in Mumbai. At Dr. BNCP the students are expected to have an enriching and life-turning experience that propels them to take advantage of the new opportunities in life. We foster sharpening of skills and enhancement of knowledge base in our students through various extra- curricular, co-curricular and curricular activities through faculty who not only keep themselves at par with the current developments but also contribute to the expansion of knowledge in their field of expertise. The faculty members contribute substantially to the academic world through quality teaching, publications, seminars, conferences, etc. The excellent goodwill we enjoy with the corporate world generously contribute to our various academic process. The corporate interactions including corporate supported projects undertaken by our students under faculty supervision provides a close hands-on-experience to our students.

I would like to extend my sincere gratitude to all our industrial partners who have been recruiting our students. I look forward to inviting many more organizations to get associated with us in our placement drive and to build a sustainable and mutually beneficial relationship.

**Dr. Munira Momin**  
Principal

# About SVKM's Dr. Bhanuben Nanavati College of Pharmacy

SVKM's Dr. Bhanuben Nanavati College of Pharmacy, Mumbai is one of the best industry-linked colleges. The skills acquired by our graduates are highly specialized. With departments like pharmacology, pharmaceutical chemistry, pharmaceutical analysis, pharmacognosy, and quality assurance; our students are often encouraged to undertake scientific research opportunities. The college focuses on creating a healthy, engaging, and learning community which provides ample scope for talent and development. With better quality of our staff, we aim to do justice by creating better possibilities in professional growth.

## Faculty Research Grants

Due to the faculty's rich and varied research background and efforts, the college has received over 7.81 crores rupees over the last three years in research grants from various government funding agencies and from industry consultancy projects.

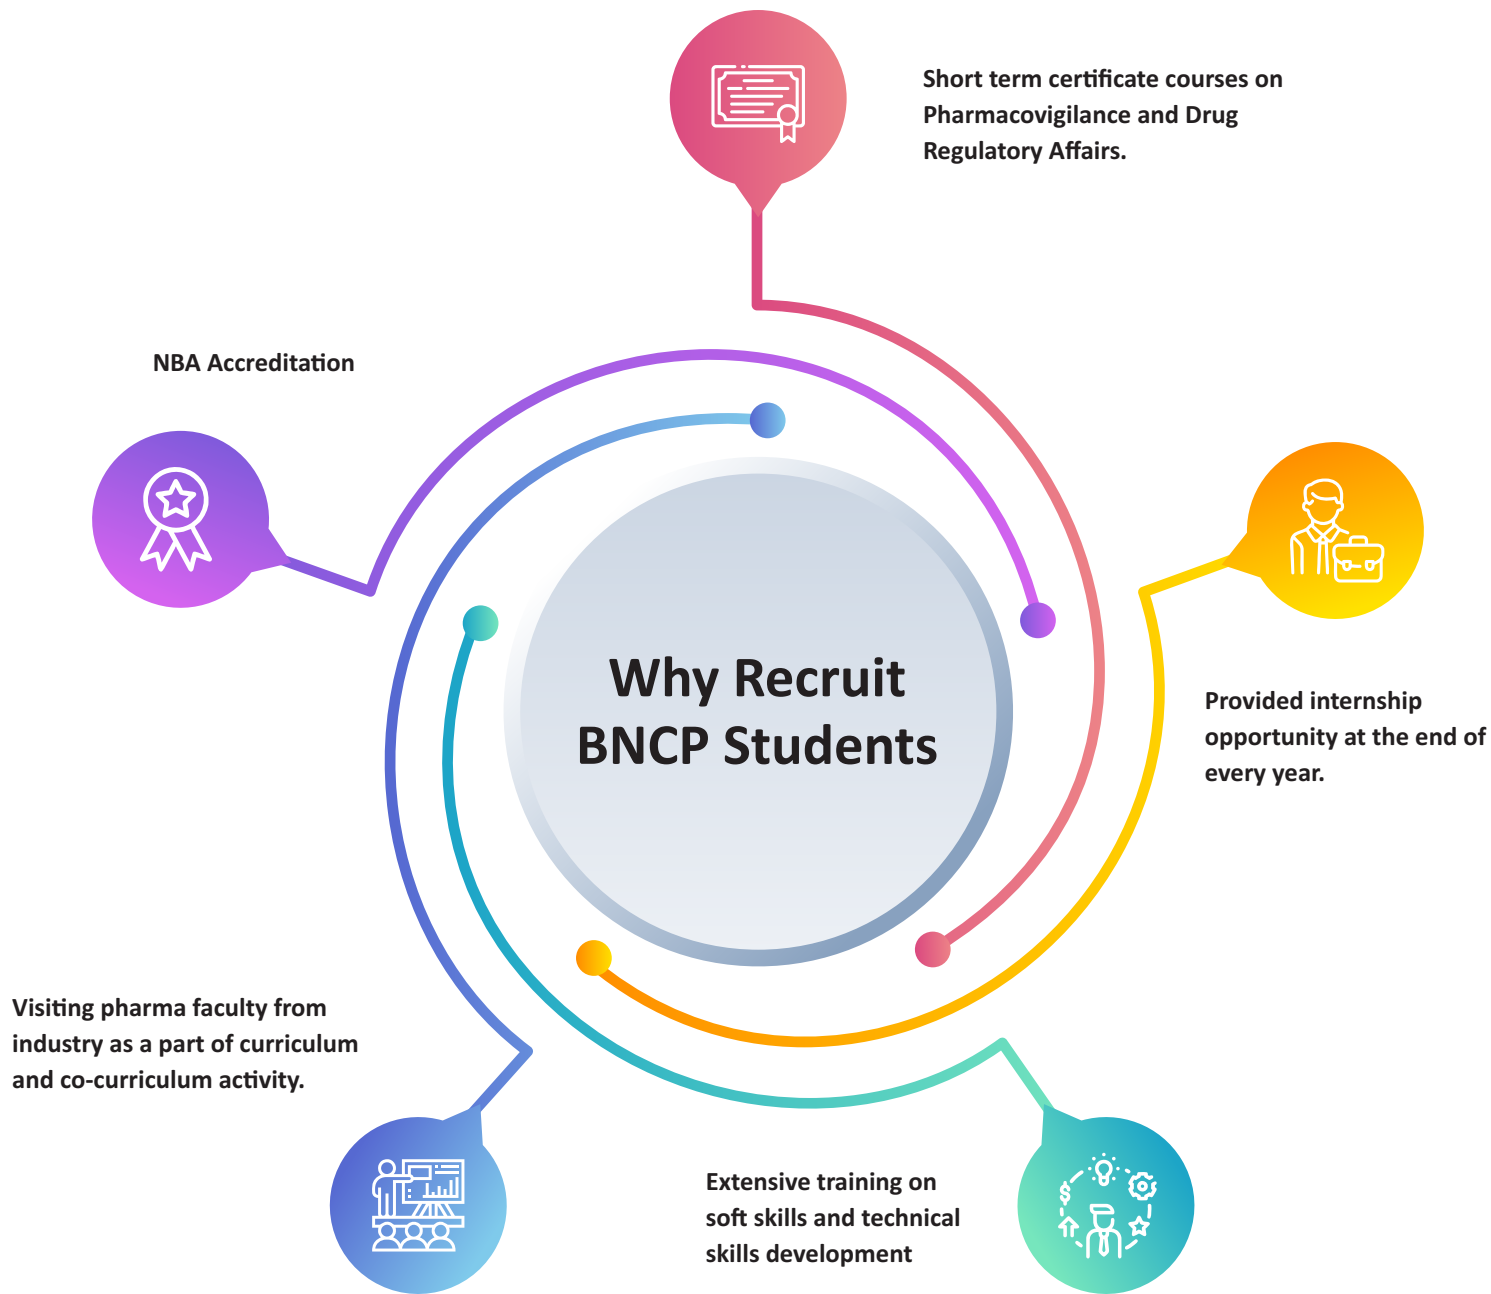

## Publications

From July 2018 till date (21/03/2023)

## Patents

Intellectual Property	:	Patents (Filed + Granted)
Dr. Munira Momin	:	13
Dr. Sujata Sawarkar	:	8
Dr. Tabassum Khan	:	4
Dr. Lokeshkumar Bhatt	:	2
Dr. Prabha Singh	:	1
Dr. Madhavi Apte	:	1
Dr. Meenal Rane	:	4

# Infrastructure and Facilities

The entire college premises are equipped with the latest safety amenities such as CCTV, fire safety equipment. It has wireless LAN connectivity and is fully air conditioned. The college has RFID entry and the attendance of staff and students is registered through the RFID entry.

## Library

The Library at SVKM's Dr. Bhanuben Nanavati College of Pharmacy houses more than 8353 books selectively chosen for reading and reference, 55 CDs, 778 Bound Volumes, 316 Seminar reports (M. Pharm), 231 M. Pharm Thesis and subscribes to 25 journals in a hard copy format and 70 e-journals (ScienceDirect package).

## Class Rooms & Tutorial Rooms

The college has spacious class rooms and tutorial rooms that are fully air conditioned and equipped with the latest multimedia and audiovisual equipment to facilitate effective learning.

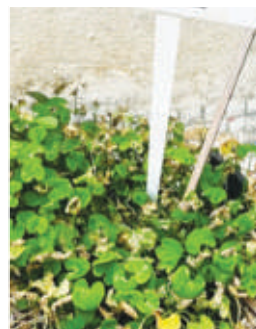

## Laboratories

The college has state of the art laboratories providing facilities for conducting various experiments in Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance, Pharmacognosy, Pharmacology, Microbiology / Biotechnology, Pharmaceutical Analysis.

## Medicinal Garden and Museum

“SATVA VATIKA” the medicinal plant garden of the college covers an area of 71.35 feet. The plants include medicinal herbs, shrubs, trees, and xerophytes. These are used widely as food, medicine and cosmetics e.g, Aloe vera, Ashoka, Cinnamon, Amla, Bael, Eucalyptus, Datura, Brahmi, Black pepper, Bahea etc.

## Central Instrument Laboratory

The Central Instrument Laboratory (CIL) is air conditioned, well equipped with the latest modern analytical equipment and instruments.

## E-Learning Lab

The computer lab is equipped with computers having internet access available to all students.

## Pilot Plant

A pilot plant is a pre-commercial production lab that employs new production technology and/or produces small volumes of new technology-based products, mainly for the purpose of learning about the new technology.

## Animal House

The college has state-of-art Animal House facility registered by CPCSEA, Government of India. It provides pre-clinical testing in conformity with national and international regulatory guidelines.

## Cell Culture Laboratory

The lab has basic equipment like Cell culture hood (i.e. laminar-flow hood or biosafety cabinet), Incubator, Centrifuge, Refrigerator and freezer (-30°C), Liquid nitrogen (N<sub>2</sub>) freezer or cryostorage container. The cell culture lab has HeLa, C6, RAW 264.7, Miapaca, HT-29, A549, L929 cell lines for conduction of various cancer studies.

## Recreation facilities

The college has provided a modern sports facility which includes a sports room for indoor sports like Table Tennis, Carrom, and Chess etc.

## Facilities for the differently-abled

The college has a ramp facility at the entrance and other necessary infrastructure for hassle free movement of physically handicapped students.

# Program and Course Details

## B.Pharm

SVKM's Dr. Bhanuben Nanavati College of Pharmacy offers a four-year degree program in Bachelor of Pharmacy, as prescribed by University of Mumbai under guidelines set by Pharmacy Council of India. The multidisciplinary facet of this program is reflected by the wide range of subjects offered to the students under the curriculum. It also includes one-month training programs for students at Hospital Pharmacy and Industry. Combination of academics, non-academics and industry knowledge yields industry ready graduates.

**Pharmaceutics**

**Pharmaceutical Chemistry**

**Pharmaceutical Analysis**

**Quality Assurance**

**Pharmacognosy**

**Pharmacology**

## M.Pharm

SVKM's Dr. Bhanuben Nanavati College of Pharmacy provides two-year program in Master of Pharmacy having four specializations viz. Pharmaceutics, Quality Assurance and Pharmacology, Pharmaceutical Analysis as prescribed by University of Mumbai under the guidelines set by Pharmacy Council of India.

### Pharmaceutics

Pharmaceutics is a science of designing a dosage form in which a new chemical entity is formulated in a safe and efficacious environment. The M. Pharm program exposes students to Novel Drug Delivery systems for achieving target specificity, working in line with changing industry requirements.

### Pharmacology

This department is involved with mechanistic research. Lab and theory sessions enable students to grasp knowledge of avenues like Pharmacovigilance, Clinical research and Regulatory Affairs. This program yields students equipped with knowledge of planning and conducting experiments on animals.

### Quality Assurance

This involves planned and systematically conducted experiments with the aim to fulfil quality requirements of a product. This program covers the latest industry trends, standards like ISO and Six Sigma and importance of QA in the food, cosmetics and pharmaceutical sector.

### Pharmaceutical Analysis

This course offers key skills in pharmaceutical analysis, including measurement, scientific practice, evaluation and interpretation of data. Students will study recent trends in analytical science and techniques and be introduced to pharmaceutical technologies, such as formulations and clinical pharmacokinetics. Through your research project, you will develop valuable research skills.

## Ph.D

Dr. Bhanuben Nanavati College of Pharmacy under the guidance of experienced and renowned faculty provides on campus PhD programs for

### Pharmaceutics

The doctoral program in Pharmaceutics trains research scholars in fundamental aspects of drug absorption, disposition and delivery to optimize drug efficacy and minimize toxicity. Knowledge of Pharmacokinetics pertains to facets like drug delivery, absorption, distribution and elimination.

### Pharmaceutical Chemistry

The doctoral program trains research scholars to specialize in stages of drug development such as discovery, optimization, assessment, or outcome. Other areas may include pharmaceutical policy, molecular pharmaceuticals, medicinal chemistry and pharmacotherapy.

### Pharmacology

The Doctoral Program trains research scholar to analyse how a drug affects the biological system and the reaction of the body to the drug. It allows the research scholar to learn about the medication origins, additives, biological effects and medical applications.

## Skill Development Programs

The college has established a strong industry linkage and regularly interacts with experts from well-known pharmaceutical industries. The college has been able to identify gaps in the curriculum. Considering the global scenario and current trends, the college aims to train its graduate and postgraduate students to face professional challenges and be abreast with knowledge and technical expertise. The college has introduced short term certificate courses, mentored by eminent industry professionals.

- 1) Computer Aided Drug Design and its application in industry
- 2) Cosmeticology and perfumery and its application in industry
- 3) Hands-On Training in Cell Culture Techniques & Trouble-Shooting
- 4) Drug Regulatory Affairs and its application in industry
- 5) Pharmacoeconomics and Marketing Strategy

# Faculty

## Department of Pharmaceutics

**Dr. Munira Momin**  
Principal & Professor

**Dr. Sujata Sawarkar**  
Professor

**Dr. Prabha Singh**  
Assistant Professor

**Dr. Pramod Kadu**  
Assistant Professor

**Dr. Meenal Rane**  
Assistant Professor

**Mr. Sankalp Gharat**  
Assistant Professor

**Dr. Prachi Pimple**  
Assistant Professor

**Ms. Nayva Bhaskaran**  
Assistant Professor

**Ms. Mansi Damani**  
Assistant Professor

## Department of Pharmacognosy

**Dr. Rashmi Mallya**  
Assistant Professor

**Dr. Manisha Oza**  
Assistant Professor

**Dr. Madhavi Apte**  
Assistant Professor

---

## Department of Pharmaceutical Chemistry, Quality Assurance and Pharmaceutical Analysis

---

**Dr. Tabassum Khan**  
Professor

**Dr. Arti Prabhu**  
Associate Professor

**Dr. Vasanti Suvarna**  
Associate Professor

**Dr. Radhika Raheja**  
Assistant Professor

**Dr. Atul Sherje**  
Assistant Professor

**Dr. Kavatkumar Patel**  
Assistant Professor

**Dr. Arundhati Abhayankar**  
Assistant Professor

**Dr. Sandeep Zine**  
Assistant Professor

**Dr. Maheshkumar Borkar**  
Assistant Professor

**Dr. Perna Ganwir**  
Assistant Professor

---

## Department of Pharmacology

---

**Dr. Lokeshkumar Bhatt**  
Associate Professor

**Dr. Pravin Kale**  
Assistant Professor

**Dr. Gaurav Doshi**  
Assistant Professor

**Mr. Angel Godad**  
Assistant Professor

**Dr. Kedar Prabhavalkar**  
Assistant Professor

**Ms. Namrata Vadak**  
Assistant Professor

**Mr. Swapnil Raut**  
Assistant Professor

## Prominent Recruiters for 2021-2022

# Industry Academia Interface

Students have to undergo a one-month industrial training. Internship programs are arranged so that students can gain adequate exposure to industry and can come across with real time industrial problems. Internships are done in collaboration with industry and research centres. Students prepare a report on the project and submit the same to the college for evaluation.

Following are some of the Companies who have provided internship to our Third Year B.Pharm students.

Total 110 students from Third Year B. Pharm went for Industrial Training in A.Y 2021-2022.

Name of the Company	Location	Name of the Company	Location
Ajanta Pharma Ltd	Kandivali, Mumbai	FDC Ltd	Raigad
ACG Associated Capsules Pvt. Ltd	Kandivali, Mumbai	Gadiya Healthcare	Purna - Bhivandi

# Students Profile

## M.Pharm Pharmaceutics

### Khushboo Shyamlal Bafna

Research Title : Formulation development and evaluation of novel ophthalmic dosage form  
Area Of Interest : R&D, CRA, R.A, Pharmacovilance  
Summer Internship : –  
Credentials : –

### Amogh Uday Bhanushali

Research Title : Fabrication and evaluation of novel product for healthcare  
Area of Interest : F & D, Regulatory Affairs, R & D.  
Summer Internship : –  
Credentials : 

- Represented MUMBAI University at STATE level at 14 inter-institute Avishkar Research Convection and secured SILVER medal at final round Titled Artificial Rain and effluent treatment via supercritical Co2 carrier (01/2020-01/2020)
- Secured GOLD at district level at 14 inter-institute Avishkar Research Convection Titled Artificial Rain and effluent treatment via supercritical CO2 carrier (12/2019 01/2020)
- Filed and approved for provisional patent for "Artificial rain via supercritical CO2 carrier" Application Filing date- 14/02/2020 Published date-20/08/2021 Application no-202021006398

### Mayur Rajkumar Chandwani

Research Title : Formulation and optimization of Drug Delivery System  
Area of Interest : R&D, R.A, F&D, Cosmeceuticals  
Summer Internship : –  
Credentials : 

- Doing project of M Pharm in collaboration with Bhabha Atomic Research Center Mumbai.
- Completed a project in B Pharm under shivaji university research activity for sanctioned project

### Sweety Dinesh Chheda

Research Title : Novel Drug Delivery System for women health management.  
Area of Interest : R&D, R.A, F&D, Cosmeceuticals  
Summer Internship : –  
Credential : –

### **Divya Shyamdhara Dubey**

Research Title : Design and Development of the Novel Drug Delivery system  
Area of Interest : R.A, R&D, CRA.  
Summer Internship : Milan Laboratories  
Credential : • GPAT 2021 qualified

### **Mayur Ashok Mhase**

Research Title : Development of ophthalmic nanofiber insert for management of uveitis  
Area of Interest : R&D, F&D, R.A, Business development, product management team.  
Summer Internship : Dortmund labs Pvt. Ltd.  
Credential : • Qualified GPAT 2021  
• Participated at district level Avishkar competition 2022- 23.  
• Presented poster on "3D BIOPRINTING FOR DELIVERY OF INSULIN".

### **Ilyas Baig Mirza**

Research Title : Development and evaluation of a nanoparticulate system for Oral mucositis.  
Area of Interest : Marketing business development, Scientific Writing, Regulatory Affairs, R&D  
Summer Internship : • Qualified GATE 2020 GPAT 2020 and NIPER 2020-2021  
• Secured first position in IPA's state level Elocution competition  
• Participated in Avishkar  
• Completed courses from WIPO, Lean six sigma white belt certification

### **Madhura Vivek Mulkutkar**

Research Title : Design, development and evaluation of novel ophthalmic drug delivery system for posterior eye disease  
Area of Interest : R&D, FMCG, R.A  
Summer Internship : • Worked at IP Intellect services for 1 month  
• Work involved lead generation, drafting of counter statements  
Credentials : • Participated in Poster Presentation Conducted by Controlled Release Society 2022  
• Participated in Aavishkar 2022  
• Qualified GPAT 2021

### **Shrikant Nair**

Research Title : Development and evaluation a novel topical delivery system  
Area of Interest : R&D, R.A  
Summer Internship : —  
Credentials : • Qualified GPAT 2021  
• Participated in 17th Avishkar intercollegiate research convention 2022-2023

### **Khushali Nathani**

- Research Title : Novel Formulation for Wound Healing  
Area of Interest : R&D, R.A, F&D  
Summer Internship : –  
Credentials :
  - Qualified GPAT 2021 and NIPER-JEE 2021 Examination
  - Participated in Poster Presentation Conducted by Controlled Release Society 2022

### **Shailesh Rathod**

- Research Title : Design and development of Nanoemulsion based nail lacquer for onychomycosis  
Area of Interest : R.A, F&D, Marketing  
Summer Internship : –  
Credentials :
  - Qualified GPAT 2021 and NIPER 2021
  - Participated in Avishkar

### **Shreya Ajithkumar**

- Research Title : Development, Formulation and Evaluation of Drug Delivery System  
Area of Interest : R.A, F&D, R&D, CRA, Pharmacoviliance  
Summer Internship :
  - ACG Associated Capsules (Present-6 Months - Oct 2022 to April 2023)
  - Western Commercial Corporation (WCC) (1 Month - April to May 2022)
  - P&G MapLab (1 Month - June 2019)  
Credentials :
  - Qualified GPAT 2020 (AIR-526), NIPER JEE 2020,2021
  - Participated in Aavishkar 2022, 2023
  - M. Pharm Placement Coordinator for A.Y. 2022-23
  - Student Volunteer for 3rd SRC
  - Student Coordinator for Aavishkar 2022

### **Siddiquee Taufique Mohd Yasin**

- Research Title : Novel targeted drug delivery system  
Area of Interest : R&D, F&D, Cosmeceutical  
Summer Internship : –  
Credentials :
  - Qualified GPAT 2021

### **Amatullah Yusuf Udaipurwala**

- Research Title : Formulation Development and evaluation of ophthalmic delivery system  
Area of Interest : R.A, F&D, Cosmeceutical, CRA  
Summer Internship : Jaival Pharmaceuticals  
Credentials :
  - GPAT 2021 qualified (AIR-280)
  - Ranked 3rd in B.Pharm

## M. Pharm Quality Assurance

### Ayush Kumar

- Research Title : Design and development of topical formulation
- Area of Interest : R.A, IPR, QC & QA, FMCG
- Summer Internship : Shree Maruti Herbals
- Credentials :
- Completed Certificate Course on :
    - i. UC San Diego Six Sigma Principles, Board of Regents of University System of Georgia
    - ii. ISO 9001:2015 - Quality Management System, Alison 5. WIPO "Introduction to the Patent Cooperation Treaty"
  - Arogyam 2019- Inter College Pharma Quiz- Runner up conducted by Lachoo Memorial College

### Nidhi Bhanushali

- Research Title : Comparative study of phytochemistry of allium species
- Area of Interest : R&A,QA & QC, Pharmacoviliance,
- Summer Internship : Influx healthcare
- Credentials :
- Degree project- Spectrophotometric analysis of drugs in formulation-The objective of the work was to determine the concentration of Paracetamol and Caffeine in formulation by using Simultaneous equation method.
  - Participation in a one-day seminar/workshop on Sophisticated Instruments-HPLC, Rotavap, and Microwave Synthesizer.
  - Secured second rank in quiz competition on the occasion of Pharmacist's Day

### Kajal Gautam Deshmukh

- Research Title : Analytical method development for quantification of analyte of therapeutic significance
- Area of Interest : R.A, QA & QC, FMGC, IPR, Pharmacoviliance.
- Summer Internship : Online Research internship at Qual Pharma on "Probiotics"
- Credentials :
- Worked on several projects such as: - Nose to Brain Drug Delivery: Novel Approaches for New Drug Development - Curcuma amada Revival Kit for Lipidemics - Potential of Sweetflag: Proposed Formulation, Evaluation and Molecular Docking - COVID-19 Vaccines Prevention/Treatment - Benefits, Risk, Availability and Affordability.
  - Review article on: - miRNA and antisense oligonucleotide-based alpha-synuclein targeting as disease-modifying therapeutics in Parkinson's disease.

### **Sandhya Bajirao Jadhav**

- Research Title : Development of Nanodrug Delivery for therapeutic agent.
- Area of Interest : R&D, FMGC, QA & QC, IPR, Competitive market research & analysis
- Summer Internship : In Associated Capsule Private limited for 2 Months in Analytical research and development and in QA Department
- Credentials :
- Completed a course on "Data Management for Clinical Research" from Vanderbilt University through Coursera on 13th July, 2020
  - Secured First Place in presenting a working model on "Hydraulic Press" in the Mini Model Competition held at St. John Institute of Pharmacy and Research on 19th January, 2019.
  - Secured 3rd rank at state level Avishkar competition.

### **Kaushal Ravindra Khade**

- Research Title : Design and developed new chemical entity as anti-infective
- Area of Interest : R.A, IPR, QA & QC, Competitive market research & analysis and Pharmacovigilance
- Summer Internship : –
- Credentials :
- Participated in one day seminar on "Application of Eudragit polymer in Novel drug delivery systems" conducted in SVKM's Dr. Bhanuben Nanavati College of pharmacy in 2022.
  - Zonal level avishkar poster presentation 2023
  - Volunteer for DST STUTI ICT
  - Poster presentation at NSD 2022

### **Ritika Prashant Khivansara**

- Research Title : Design and development of nanocarrier for drug delivery system
- Area of Interest : R.A, IPR, QA & QC, Competitive market research & analysis and Pharmacovigilance, Medical Writing.
- Summer Internship : –
- Credentials :
- Participated in poster presentation in National event - 3rd Student research Congress organised by SVKM's Dr. Bhanuben Nanavati College of pharmacy on "PMDA crosslinked  $\beta$ -Cyclodextrin Nanosponges for Oral Drug Delivery" in 2022.
  - Presented at 8th International Electronic conference on Medicinal Chemistry on " $\beta$ -Cyclodextrin Nanosponges for Oral Drug Delivery Of Anti-Hypertensive Drug" in 2022.
  - Secured 3rd rank at state level Avishkar competition

### **Rushikesh Rameshwar Mali**

Research Title : Synthesis and development of nanotech based carriers for anticancer drug delivery.  
Area of Interest : Competitive market research & analysis, RA, PV, Medical Writing, IPR, QA & QC  
Summer Internship : –  
Credentials : • Avishkar zonal level participation.

### **Shreya Sanjay Nanavare**

Research Title : Development and evaluation of wound dressing formulation.  
Area of Interest : R.A, FMCG, QA & QC  
Summer Internship : Everest Pharmaceuticals  
Credentials : • Presented at Indian pharmaceuticals association on the topic of 'pharmacist role in combating covid-19'.  
• Presented at NSCI - Natural speciality ingredients on development, evaluation and formulation for chronic wounds.

### **Nagesh Dattatraya Nilawar**

Research Title : Development of Nanotech based combinatorial antimicrobial formulations.  
Area of Interest : QA & QC, FMCG, Competitive market research & analysis, Pharmacovigilance  
Summer Internship : –  
Credentials : • 1st prize in avishkar 2019  
• 3rd prize in NSD 2022

### **Jaysree Dharamshi Patel**

Research Title : Analytical method development and validation of drug substance.  
Area of Interest : QA & QC, R.A.  
Summer Internship : • YSK multispeciality hospital.  
• Wockhardt, Aurangabad.  
• Western Commercial Cooperation.  
Credentials : • Poster presentation at NSD 2022  
• Participation seminar organized by Evonik

### **Ritika Manohar Patil**

- Research Title : Formulation and Evaluation of Novel Drug Delivery System.
- Area of Interest : RA, QA & QC, IPR, FMCG, Pharmacovigilance
- Summer Internship : –
- Credentials :
- Qualified GPAT 2021 and NIPER-JEE 2021 Examination.
  - Received the BEST POSTER AWARD in e-Poster competition titled, "Crucial role played by Pharmacy Professionals during COVID-19 Pandemic" organized by Nagar Yuwa Yuwak Shikshan Sanstha's Adv. V. R. Manohar Institute of Diploma in Pharmacy, Nagpur in 2020.
  - Achieved Gold Medal in District Level General Knowledge Competition Organized by Gandhi Research Foundation in 2013, Jalgaon.

### **Amisha Arvind Punmiya**

- Research Title : Design and development of oxidative stress modulators for Alzheimer's Disease.
- Area of Interest : QA & QC, R.A, Pharmacogilance, Medical Writing

# Alumni Speaks

## **Manoshi Vora**

B. Pharm

Batch 2011-2015

Export Sales Manager, Rx Lifecare

As a proud alumnus of Dr. BNCP, I can say that college has been a positive learning experience for me with immense support of highly qualified professors who continue to inspire to go beyond books and engage with healthcare to achieve extraordinary heights in the community and research field.

Institute's continuous development in expansion of faculty and upgradation of infrastructure has definitely earned it's spot to be one of the top sought after collages for Pharmacy.

I am very thankful to have passed out of Dr. BNCP and having strong ethics and immense knowledge inculcated in me that have set me up for success. I truly miss my time there.

A special mention to all my professors - Dr. Pramod Kadu, Dr. Lokesh Bhatt, Dr. Tabassum Khan, Dr. Prabha Singh for making this Institute a truly enriching and learning experience.

## **Dr. Nishant Kulkarni**

B.Pharm

Batch 2011-2015

Senior Scientist, Teva Pharmaceuticals, Salt Lake City, USA

For me, Dr. BNCP was not just a place of learning, it was home. Over the course of 4 years, my journey was fun-filled and enriching. My faculty members were extremely warm and understanding, going in-depth with every subject. More so, non-faculty members treated us like family and their contribution to my career cannot be overlooked. I can confidently say, my research career blossomed because college managed to strengthen my basics, which are still helpful and relevant today in my professional career. Along with this, college was instrumental in moulding me as a leader by actively involving us in numerous student councils and committees. It even boasts a strong alumni network spread all over the world, which is always a plus. This is where you would want to be if you want to pursue quality education in the field of Pharmacy.

## **Anjali Gajra**

M. Pharm

Batch 2019-2021

Product executive, Janssen (J&J) Pharmaceuticals.

Dr. BNCP has been the foundation for many of us like me, and it has helped us in not only strengthening our careers but made us a part of one of the best networks in the pharmaceutical industry. I take pride as all the students are doing great not only in India but across the world and this Institute has been a catalyst in this journey.

The college has given us the best of mentors in the form of our teachers and wonderful memories over the years. Very grateful to have been in Dr. BNCP.

## **Aditi Daftary**

B.Pharm

Batch - 2007-2011

Group Product Manager, Glenmark Pharmaceuticals.

I had the opportunity to complete my B.Pharm from Dr. BNCP.

This was my foundation for my pharma career and I am very grateful to my college and especially teachers who provided me the required knowledge and skills to excel.

Dr. BNCP also has a very good infrastructure for students for theory and practical's.
